The image displays the retail packaging for the Philips TAT2149BK True Wireless Headphones. The box is primarily white with blue and grey accents. The front panel features the Philips logo, the product name 'Headphones', and the '2000 Series' designation. It includes a large image of the black earbuds and their charging case. Text in multiple languages describes the product's features, such as 'True wireless headphones', 'Ecouteurs entièrement sans fil', and 'Auriculares realmente inalámbricos'. The back panel provides technical specifications, including frequency response (20-20,000 Hz), battery life (14 hours), and charging options (USB-C, Qi wireless). It also contains a table of contents for the user manual and a list of accessories. The bottom of the box features a QR code linking to the Philips website and a 'Paper Based Pack' logo indicating eco-friendly packaging. The overall design is clean and professional, typical of high-end consumer electronics packaging.
