Safety Instructions

Keep the unit away from heat sources, direct sunlight, humidity, water and any other liquids. Do not expose the unit if it has been exposed to water, moisture or any other liquids to prevent against electric shock, moisture and/or injury to yourself and damage to the unit. Do not use the unit if it has been dropped or damaged in any way. Repairs to electrical equipment should only be performed by a qualified electrician. Improper repairs may place the user at serious risk. Do not use the unit with wet hands. Do not put objects into any of the openings. Keep the unit free from dust, dirt etc. Do not use this unit for anything other than its intended use. Keep the unit out of reach of children. This product is not a toy. Do not use the headset at excessive volume levels, as damage to hearing may occur.

Charging Case

Plug the Type-C end of the included USB charging cable into the charging port of the Charging Case. Plug the other end into a suitable USB port such as the one on your computer or other devices made for USB charging. Digital display will flash to show the battery capacity of charging case. It takes less than 2 hours for the case to fully charge the case. When the battery is fully charged, LED will show on the digital display.

To charge the Bluetooth Earbuds

- After fully recharging the Charging Case, disconnect it from charging.
- Place the Bluetooth Earbuds into respective charging slots correctly.
- The LED light indicator on the Earbuds turns on white and the digital display on the Charging Case will show its remained battery capacity. It takes less than 2 hours for the Earbuds to fully charge. When the battery is fully charged, the white LED light will turn off and the digital display on the Charging Case will also turn off.

Turning on/off the Bluetooth Earbuds

Remove the Earbuds from the Charging Case, it will turn on automatically (On). If the Earbuds is not stored inside the Charging Case, long press the touch pad of the Earbuds to turn ON. An indication tone will be heard and the LED flashes blue and white alternatively.

Long press the touch pad of the Earbuds to turn OFF the device. Or, place the Earbuds back into the Charging Case, it will turn off for recharging automatically.

Pairing both Bluetooth Earbuds with Bluetooth device (phone or tablet) that support call-answering

- Remove both Earbuds from the Charging Case, it will turn on automatically and the LED flashes blue and white alternatively (On). If the Earbuds is not stored inside the Charging Case, long press the touch pad of the Earbuds to turn ON. An indication tone will be heard and the LED flashes blue and white alternatively.
- After few seconds, user would hear another indication tone when both Earbuds are connected together. The LED light indicator on one Earbud will flash blue and white, and the LED light indicator on the other Earbud will turn off.
- At this point, activate the Bluetooth function on your mobile device, and search for Bluetooth device near you.
- Once you have activated Bluetooth on your mobile device, select the "SL ANC TWS Earbuds" from the list of available Bluetooth devices.
- You might be prompted with "Pair with SL ANC TWS Earbuds?" message on your source device, with "Cancel" and "OK" options. Please select "OK".
- Once paired successfully, an indication tone will be heard and the LED on both units will turn off.

Making a call with the Bluetooth Earbuds in Stereo pairing mode

Function	Operation	Button
Answer Incoming	Incoming Call	Short press the Touch Pad to answer an incoming call.
Reject Incoming	Incoming Call	Long press the Touch Pad.
End call	Incoming Call	After your phone conversation, short press the Touch Pad.

Help:

- Once you have paired the Bluetooth Earbud with a mobile device, the Earbud will remember this mobile device and will pair automatically when its Bluetooth is activated within the range, during subsequently pairing. You do not need to re-pair any previously connected devices.
- The Bluetooth Earbud will attempt to automatically connect to the last device it was paired with when switched on. If you want to pair it with a new device, please follow the steps outlined above.

Making a call with the Bluetooth Earbuds in Stereo pairing mode

Function	Operation	Button
Answer Incoming	Incoming Call	Short press the Touch Pad to answer an incoming call.
Reject Incoming	Incoming Call	Long press the Touch Pad.
End call	Incoming Call	After your phone conversation, short press the Touch Pad.

Listening to Music Wirelessly in Stereo pairing mode

Please ensure that your device (Phone, Tablet or Other Smart Phone) is paired with the Bluetooth Earbuds to stream music wirelessly. Once it is paired, play music from your device.

Function	Operation	Button
Volume increase	Playing music	Short press the Touch Pad three times.
Pause	Playing music	Short press the Touch Pad will pause the music.
Play	Playing	Short press the Touch Pad will resume the music.
Next track	Playing music	Short press the Touch Pad of Earbud twice.
Previous track	Playing music	Short press the Touch Pad of right Earbud twice.

Electronic Noise Cancellation (ENC) mode:

The ENC mode is activated automatically when you are on a call or giving instructions to your voice assistant.

ANC technology: like ANC, generates a sound equivalent to but opposite to ambient noise, reducing it so that the person on the other end can hear you clearly.

Voice Assistant Operation:

Voice Assistant is a built-in interactive feature that allows you to Start Conversation with Your Siri or Google Assistant. Short press the touch pad of the Earbud 4 times to activate Siri feature.

This feature enables you to ask questions and seek assistance on a number of things from your Voice Assistant, even when you're several feet away from your phone. Below are some of the many examples listed below.

Note: Google Assistant is available on eligible Android 5.0 device or later. Works on iPhone, iPad, iPod touch, and iPod nano. Requires an iPhone with iOS 10.3 or later, or an iPod touch with iOS 10.2 or higher screen resolution. Please ensure Google Assistant App is downloaded and made to default Voice Assistant on your iPhone device.

While the Earbud is paired using Bluetooth, short press the Touch Pad 4 times to start conversation with your Siri or Google Assistant. An indication tone may be heard before you speak into the Earbud.

- Example 1: Short press the Touch Pad 4 times and then speak into the Earbud, how's the weather today?
- Voice Assistant will reply with something like: mostly cloudy with a few showers.
- Example 2: Short press the Touch Pad 4 times, and then speak into the Earbud, what's the time now?
- Voice Assistant will reply with something like: It is 8pm now.
- More examples:
- Set an alarm for 7am tomorrow.
- Play some music.
- What's in the news?

Care and Maintenance:

Read the following recommendations before using the Bluetooth Earbuds. Following these will help to enjoy the product for many years.

- Don't expose the Bluetooth Earbuds to liquid, moisture or humidity to avoid the product's internal circuit being affected.
- Don't use abrasive cleaning solvents to clean the device.
- Don't expose the device to extremely high or low temperature as this will shorten the life of electronic device, damage the battery or distort certain plastic parts.

Limited Warranty

This manufacturer's product warranty extends to the original consumer purchaser of the product. Neither the reseller nor any other company involved in the sale or promotion of this product is a co-warrantor of this manufacturer's warranty.

Warranty Duration: All materials and workmanship are warranted to the original consumer purchaser for a period of one (1) year from the original purchase date.

Warranty Coverage: This product is warranted against defective materials or workmanship. This warranty is void if the product has been damaged by accident, in disregard, unreasonable use, misuse, neglect, improper service, commercial use, repair by unauthorized personnel or other causes not arising out of defects in materials or workmanship. This warranty doesn't cover the following which may be supplied with this product, including but not limited to: LCD Screens, glass parts, lenses, bolts etc. This warranty is effective only if the product is purchased and operated in U.S.A and Canada, and does not extend to any units which have been used in violation of written instructions furnished by manufacturer or to units which have been altered or modified or, to damaged products or parts thereof which have had the serial number removed, defaced or rendered illegible.

Warranty Disclaimer: The warranty is in lieu of all warranties expressed or implied and no representative or person is authorized to assume for manufacturer any other liability in connection with the sale of our products. The manufacturer shall not be liable for defects or failure under any theory of tort, contract, or otherwise, including but not limited to, negligence, gross negligence, strict liability, breach of warranty and breach of contract. Under no circumstances will Manufacturer's / Distributor's maximum liability exceed the retail value of the product.

Warranty Performance: During the above 90 day warranty period, a product with a defect will be either repaired or replaced with a nondefective, comparable model (at manufacturer's option). The repaired or replacement product will be in warranty for the balance of the 90 day warranty period and an additional one month period. No charge will be applicable for such repair or replacement.

Service and Repair: If service is required for this product, you should first contact Midwest Trading Group Customer Service at info@midwesttradinggroup.com or by calling 1 (866) 835-4714, Monday to Friday (8am to 6pm EST).

Note: Manufacturer cannot assume responsibility for loss or damage during shipping/delivery. As a precautionary measure, carefully package the product for shipment, and insure it with the carrier. Be sure to enclose the following details with the product: your full name, return address and daytime phone number, a note describing the problem you experienced, a copy of your sales receipt or other proof of purchase to determine warranty status. C.O.D. shipments cannot be accepted.

FCC Instructions:

Cautions: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the product.

NOTE: This product has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This product generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If the product does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the product and receiver.
- Connect the product into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Care and Maintenance:

Read the following recommendations before using the Bluetooth Earbuds. Following these will help to enjoy the product for many years.

- Don't expose the Bluetooth Earbuds to liquid, moisture or humidity to avoid the product's internal circuit being affected.
- Don't use abrasive cleaning solvents to clean the device.
