TO WHOM IT MAY CONCERN

Request for Permissive Change Class II
FCC ID: M9HA2005WR2

Pursuant to CFR § 2.1043, SAGEM S.A. hereby requests a Permissive Change Class II for its application with FCC ID: M9HA2005WR2 granted on 01/11/05

Approved models:

A2005a+ R2 and A2005a+ R2 Chrome
A2005a R2 and A2005a R2 Chrome (with reduced memory)

New models:

A2005a+* R2 and A2005a+* R2 Chrome (with colorized plastic film behind the LCD)

Modifications:

The new models have a colorized plastic film behind the LCD. There are no other changes in design, construction or circuitry except the reduction of the memory size. Therefore test results of the original grant continue to be representative of and applicable to the equipment bearing the changed identification.

The following new exhibits will be uploaded:

- External Photos
- ID label and Label Location information

Based on our policy we request a Permissive Change Class II although we know that a Permissive Change Class I would be sufficient.

Sincerely,

Jean MARQUET
