Dear Sir/Madam,

E-filliate Incorporated requests a Change in Identification for a currently approved device. This application will establish a new FCC ID for purpose of marketing.

The original Shenzhen Mofhie Wireless Charging Technology Co., LTD, under FCC ID: 2BCZZ-POWER16PRO with a Grant Date of Jan. 23, 2025 will remain in effect. An authorization letter from the original Grantee is attached.

We have demonstrated that these devices are identical in electrical performance, differing only in the applicant, manufacturer, trademark, product name, product model, and FCC ID number, and that the original test results apply and continue to represent the device.

The following files are provided as attachments:

- Cover letter giving permission from original Applicant for Change in ID
- External photos showing no physical changes to this device
- New FCC identification label and it's location.

Thanks and Best Regards,
