Permettez-nous de vous aider à l'installation !

HatchRestore

Étape 1

Branchez le Hatch Restore

Connectez le câble d'alimentation et puis branchez-le à une prise de courant. Maintenez votre appareil branché tout le temps.

Étape 2

Téléchargez l'Appli Hatch Sleep.

Téléchargez l'appli sur votre téléphone ou tablette et puis créez un compte.

Étape 3

Pour compléter l'installation.

Suivez les étapes de l'appli Hatch Sleep pour connecter votre appareil. Le Wi-Fi est requis.

Bouton supérieur

Tapez sur le bouton supérieur pour allumer. Appuyez sur le bouton supérieur et maintenez-le enfoncé pour éteindre. Tapez pour faire défiler vos étapes de routine.

Les Contrôles Latéraux

Droit: Tapez sur pour augmenter ou diminuer la luminosité.

Gauche: Tapez sur pour augmenter ou diminuer le volume.

Les Contrôles d'Alarme

Pressez pour vérifier l'heure de l'alarme.

Pressez pour activer et désactiver toutes les alarmes.

Conseils rapides

L'alarme

Le point à côté de l'heure indique que votre alarme est activée. Utilisez l'appli ou le bouton d'alarme au verso du Restore pour activer ou désactiver votre alarme.

Voulez-vous interrompre la sonnerie d'alarme ? Tapez sur le haut du Restore pour faire une petite somme pendant 9 minutes de plus!

Luminosité de l'horloge

Baissez la luminosité ou éteignez l'horloge sur l'appli. Visitez l'Affichage de l'Horloge (Clock Display) sous la section Réglages (Settings).

FCC Caution: Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

IMPORTANT NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

—Reorient or relocate the receiving antenna.
—Increase the separation between the equipment and receiver.
—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
—Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement: This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

ISED/C Warning: This device complies with Innovation, Science, and Economic Development Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) This device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

(1) L'appareil ne doit pas produire de brouillage, et
(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

The device is compliance with RF exposure guidelines, users can obtain Canadian information on RF exposure and compliance.

Le présent appareil est conforme Après examen de ce matériel aux conformité ou aux limites d'intensité de champ RF, les utilisateurs peuvent sur l'exposition aux radiofréquences et la conformité et compliance d'acquies les informations correspondantes. La distance minimale du corps à utiliser le dispositif est de 20cm.
