

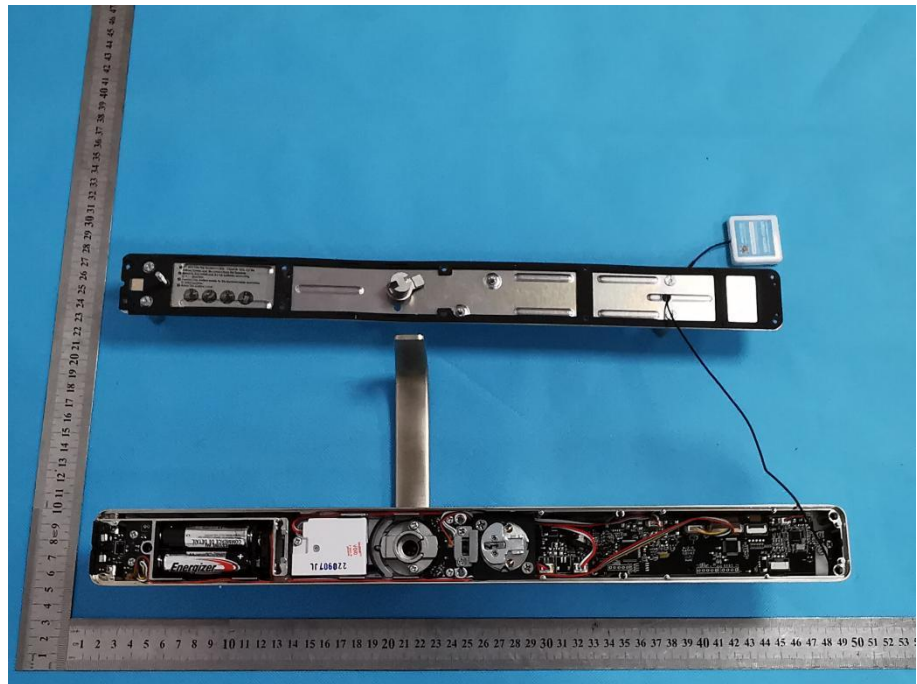

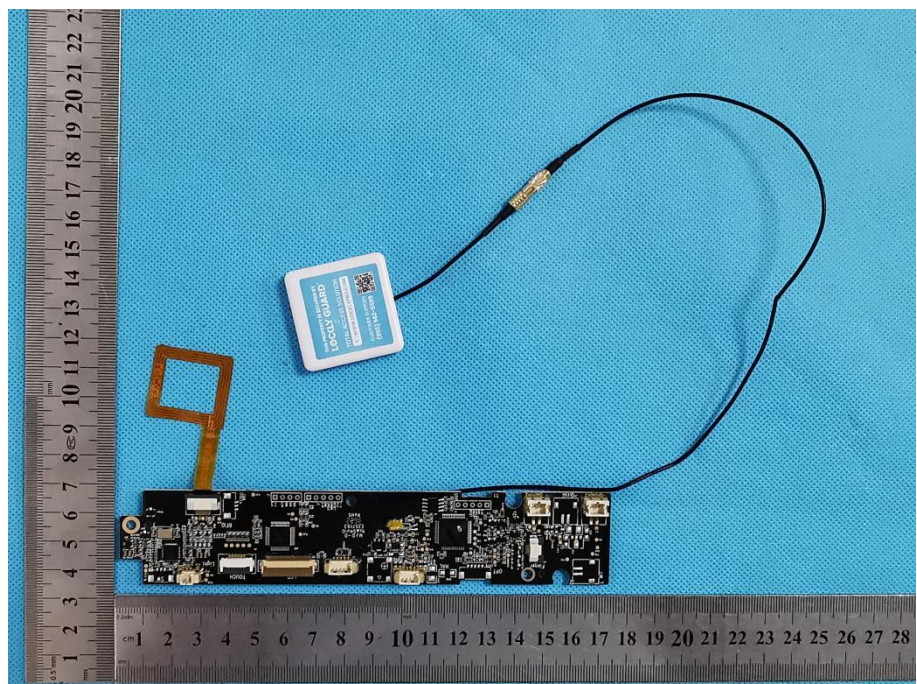

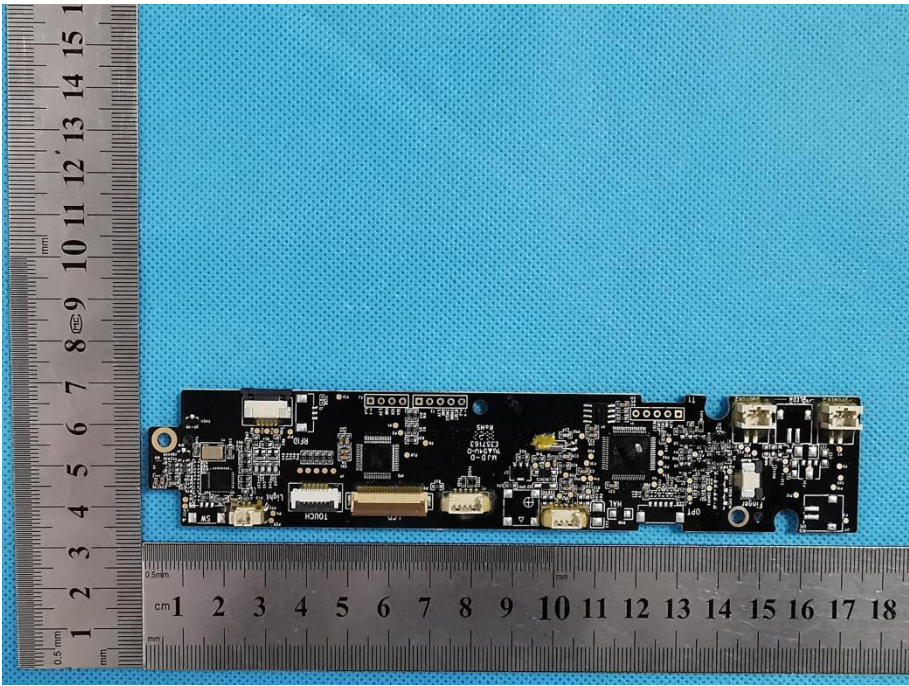

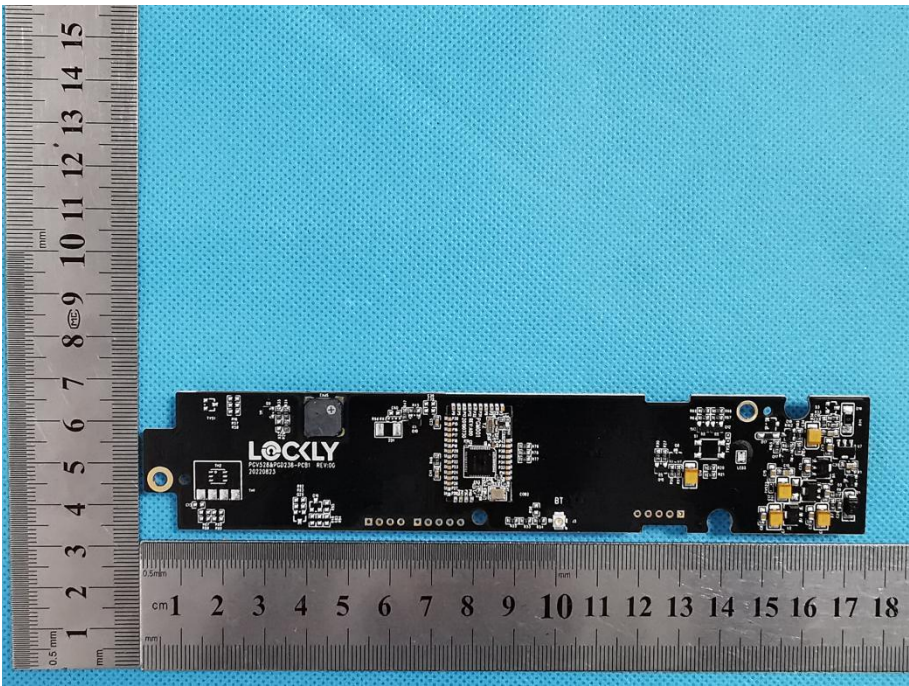

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

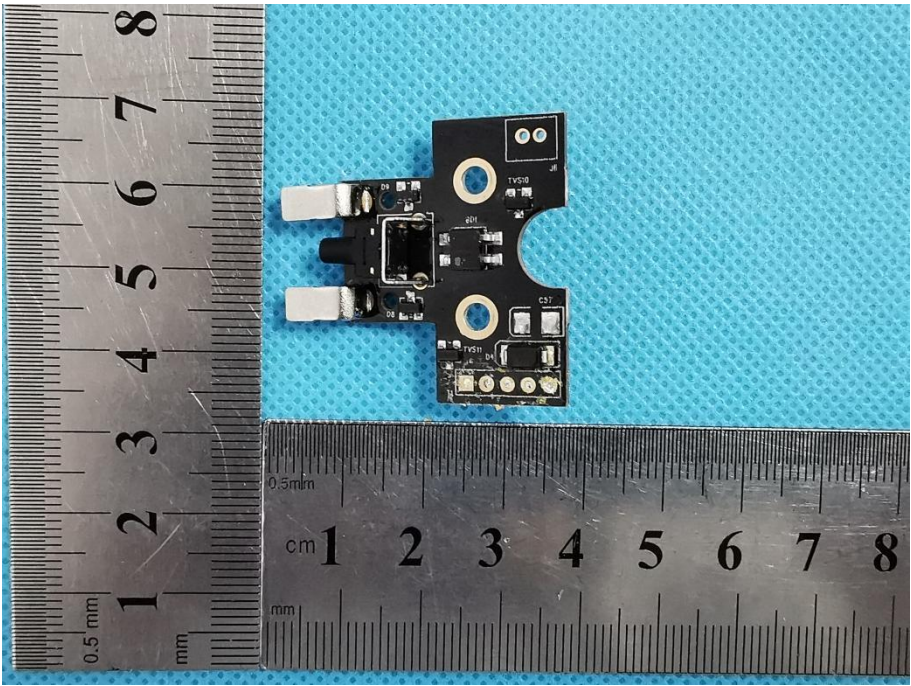

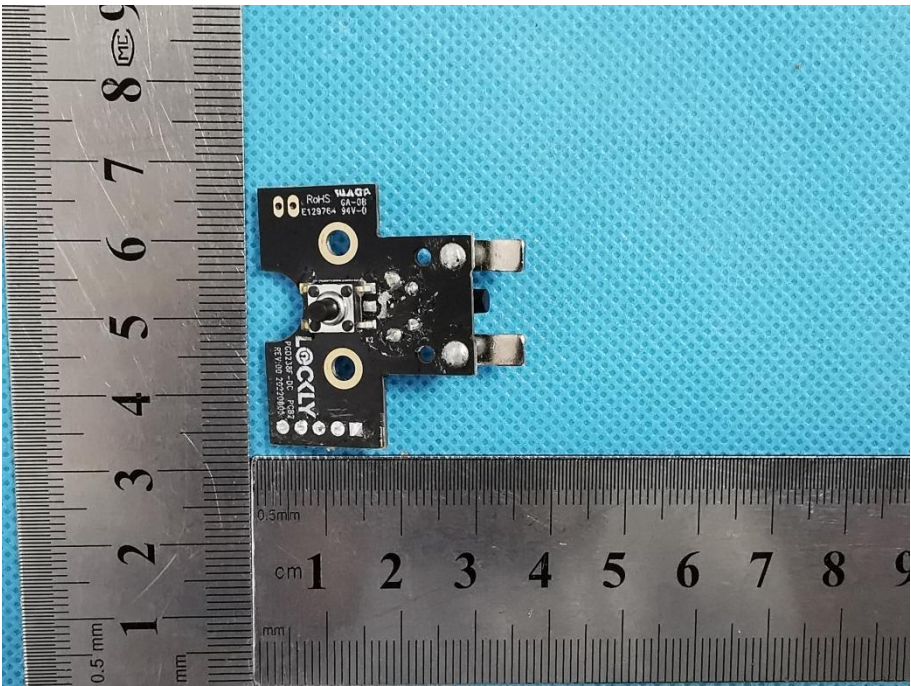

**EUT Housing and
Board View 1**

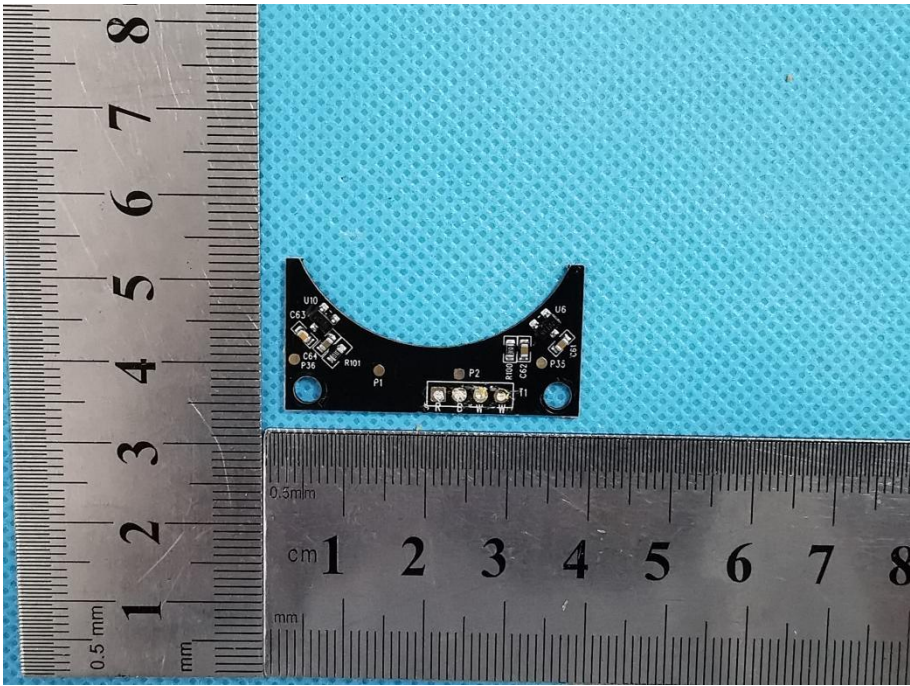

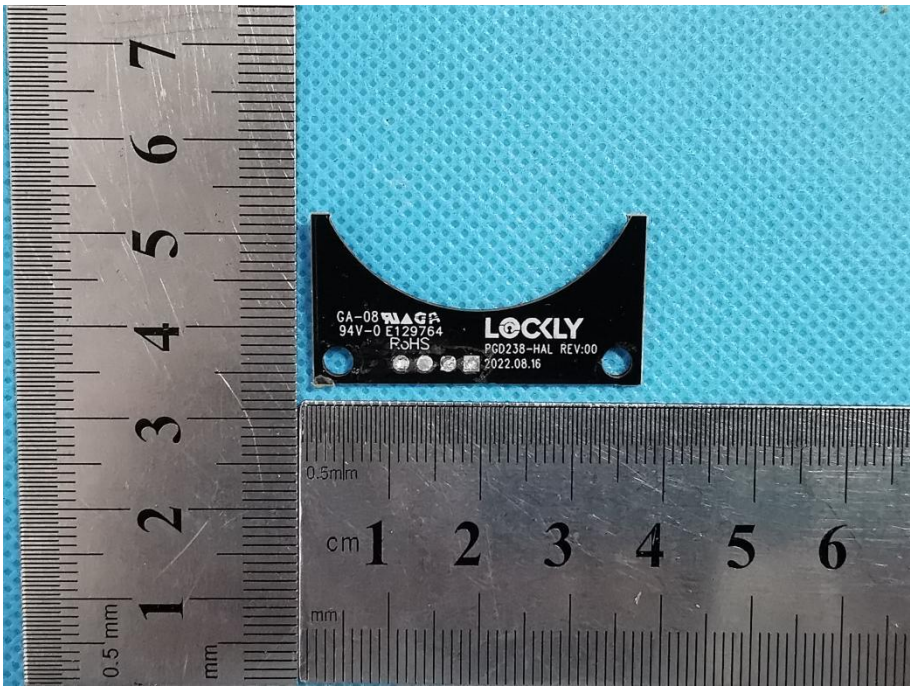

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph of a black printed circuit board (PCB) populated with various electronic components, including integrated circuits, capacitors, and connectors. The board is positioned horizontally against a blue textured background. Two rulers are placed around the board for scale: a vertical ruler on the left showing millimeter markings from 1 to 15, and a horizontal ruler at the bottom showing centimeter markings from 1 to 18. The board features several gold-plated connectors along its edges.
Solder Board-Component View 3	 A photograph of the same black PCB from a different perspective, showing the underside or a different side. The board is populated with components, including a large integrated circuit in the center. The "LOCKLY" logo and the text "P01128400210-001 R2.0.0" are visible on the board. The board is placed on a blue textured surface with the same vertical and horizontal rulers for scale as in View 2.

Solder Board-Component View 4	 A photograph of a small, black, rectangular electronic component with a complex shape, featuring two circular holes and several solder points. The component is placed on a blue textured surface. To the left of the component is a vertical ruler with markings from 1 to 8 cm. Below the component is a horizontal ruler with markings from 1 to 8 cm. The component is positioned between the two rulers, showing its dimensions.
Solder Board-Component View 5	 A photograph of the same electronic component from a different angle. The component is black with a complex shape, featuring two circular holes and several solder points. It is placed on a blue textured surface. To the left of the component is a vertical ruler with markings from 1 to 8 cm. Below the component is a horizontal ruler with markings from 1 to 8 cm. The component is positioned between the two rulers, showing its dimensions.

Solder Board-Component View 6	 A photograph of a small, black, semi-circular electronic component mounted on a blue textured surface. The component has several surface-mount components labeled: U10, C63, P36, R101, P1, P2, U16, C62, P33, and T1. A ruler is placed below the component for scale, showing centimeters and millimeters. The ruler has markings for 0.5 mm, 1 mm, and 0.3 mm.
Solder Board-Component View 7	 A photograph of the same black, semi-circular electronic component from a different angle. The component features printed text: "GA-08 WAGA 94V-0 E129764 RoHS" and "LOCKLY PGD238-HAL REV:00 2022.08.16". A ruler is placed below the component for scale, showing centimeters and millimeters. The ruler has markings for 0.5 mm, 1 mm, and 0.3 mm.
