

CAUTION: THE WAY TO HANDLE THE MONITOR

The Advanced Baby Monitor is compact enough to be placed on any surface that is flat. Please DO NOT use the rounded type antenna as handle for carrying around (see diagram 6), as this may cause weak or no reception. The correct way of handling the monitor is to hold the body of the unit (see diagram 7).

PRECAUTION

1. When inserting batteries, make sure the (+) and (-) terminals face the right directions.
2. Never use batteries that show signs of leaking or cracking.
3. To prevent leaking or brushing, never mix batteries of different types and brands.
4. Used batteries should not be discarded in fire.
5. Keep all batteries away from children.
6. Do not use rechargeable batteries.
7. Only batteries of the same or equivalent types as recommended are to be used.
8. Batteries are to be inserted with the correct polarity.
9. Remove all packaging before giving to your child.
10. The packaging has to be kept since it contains important information.
11. Keep product away from extreme heat.

MADE IN CHINA

NOTE : This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/ TV technician for help.

WARNING

THE MANUFACTURER IS NOT RESPONSIBLE FOR ANY RADIO OR TV INTERFERENCE CAUSED BY UNAUTHORIZED MODIFICATIONS TO THIS EQUIPMENT. SUCH MODIFICATIONS COULD VOID THE USER'S AUTHORITY TO OPERATE THE EQUIPMENT. SPECIFICATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE.
