Federal Communications Commission Equipment Approval Services 7435 Oakland Mills Road Columbia, MD 21046 Attn: Mr. Martin Perrine

## SUBJECT: Panasonic Corporation of North America FCC ID: ACJ9TGCF-29CA 731 Confirmation No.: TC597752 Correspondence Reference No.: 21768 Request for Tech. Info.: 07/20/05

Dear Martin:

Transmitted herewith, on behalf of **Panasonic Corporation of North America**. is an amendment provided in response to the request for technical information dated July 20, 2005.

- 1. The testing was performed with normal use conditions. The screen is not available with the lid shut. If the user wishes to carry the EUT after he or she completes a session and sends a long email just before closing the lid then a handle is used to carry the device.
- 2. There are no simultaneous transmission conditions when the device is used in the portable mode.

We trust this information is sufficient to resolve FCC questions in this application. If you have any further questions, please do not hesitate to contact us.

Randy Ortanez President

cc: Panasonic Corporation of North America
