Important Safety Information

This booklet contains important operational and safety information that will help you safely use your phone. Failure to read and follow the information provided in this booklet may result in serious bodily injury, death, or property damage.

General Precautions

There are several simple guidelines to operating your phone properly and maintaining safe, satisfactory service.

- To maximize performance, do not touch the bottom portion of your phone where the internal antenna is located while using the phone.
- Speak directly into the mouthpiece.

- Avoid exposing your phone and accessories to rain or liquid spills. If your phone does get wet, immediately turn the power off and remove the battery.
- Do not expose your phone to direct sunlight for extended periods of time (such as on the dashboard of a car).
- Although your phone is quite sturdy, it is a complex piece of equipment and can be broken. Avoid dropping, hitting, bending, or sitting on it.
- Any changes or modifications to your phone not expressly approved in this document could void your warranty for this equipment and void your authority to operate this equipment.

Note: For the best care of your device, only Sprint-authorized personnel should service your phone and accessories. Failure to do so may be dangerous and void your warranty.

Maintaining Safe Use of and Access to Your Phone

Do Not Rely on Your Phone for Emergency Calls

Mobile phones operate using radio signals, which cannot guarantee connection in all conditions. Therefore you should never rely solely upon any mobile phone for essential communication (e.g., medical emergencies). Emergency calls may not be possible on all cellular networks or when certain network services or mobile phone features are in use. Check with your local service provider for details.

Road safety

When behind the wheel, driving safely should always be your first priority. According to the National Highway Traffic Safety Administration (NHTSA), scientific research indicates that using a wireless phone while driving degrades a driver's

performance, whether used in a hands-free or hand-held mode. NHTSA advises that the "safest course of action is to refrain from using a cell phone while driving." NHTSA's policy on "Cell Phone Use While Driving," as well as Frequently Asked Questions on the subject, are available at www.nhtsa.gov. For your safety and the safety of those around you, please consider turning your phone off while you are driving.

If you choose to use your phone while driving, be aware that some state and local governments have adopted laws governing the use of wireless devices while driving. It is your responsibility to know and comply with the laws in your area.

Tip: Purchase an optional hands-free accessory at your local Sprint Store, or call Sprint at 1-866-866-7509.

Following Safety Guidelines

To operate your phone safely and efficiently, always follow any special regulations in a given area. Turn your phone off in areas where use is forbidden or when it may cause interference or danger.

Using Your Phone Near Other Electronic Devices

Most modern electronic equipment is shielded from radio frequency (RF) signals. However, RF signals from wireless phones may affect inadequately shielded electronic equipment.

RF signals may affect improperly installed or inadequately shielded electronic operating systems or entertainment systems in motor vehicles. Check with the manufacturer or their representative to determine if these systems are adequately shielded from external RF signals. Also check with the manufacturer regarding any equipment that has been added to your vehicle.

Consult the manufacturer of any personal medical devices, such as pacemakers and hearing aids, to determine if they are adequately shielded from external RF signals.

Note: Always turn off the phone in healthcare facilities, and request permission before using the phone near medical equipment.

Using Your Phone While Flying

Use of cell phones may be restricted on aircraft. Please check with your airline to see what restrictions may apply. You may be required to turn off your phone at certain times. Use of your phone's cellular connection and use of your phone for voice communications may be prohibited by law or airline policy. For your safety and the safety of other passengers, always follow crew instructions regarding the use of your phone.

Turning Off Your Phone in Dangerous Areas

To avoid interfering with blasting operations, turn your phone off when in a blasting area or in other areas with signs indicating two-way radios should be turned off. Construction crews often use remote-control RF devices to set off explosives.

Turn your phone off when you're in any area that has a potentially explosive atmosphere. Although it's rare, your phone and accessories could generate sparks. Sparks can cause an explosion or fire, resulting in bodily injury or even death. These areas are often, but not always, clearly marked. They include:

- Fueling areas such as gas stations.
- Below deck on boats.
- Fuel or chemical transfer or storage facilities.
- Areas where the air contains chemicals or particles such as grain, dust, or metal powders.
- Any other area where you would normally be advised to turn off your vehicle's engine.

Note: Never transport or store flammable gas, flammable liquids, or explosives in the compartment of your vehicle that contains your phone or accessories.

Restricting Children's Access to Your Phone

Your phone is not a toy. Do not allow children to play with it as they could hurt themselves and others or damage the phone.

Important Health Information and Safety Precautions

When using this product, the safety precautions below must be taken to avoid possible legal liabilities and damages.

Retain and follow all product safety and operating instructions. Observe all warnings in the operating instructions on the product.

To reduce the risk of bodily injury, electric shock, fire, and damage to the equipment, observe the following precautions.

Electrical Safety

This product is intended for use when supplied with power from the designated battery or power supply unit. Other usage may be dangerous and will invalidate any approval given to this product.

Safety Precautions for Proper Grounding Installation

CAUTION: Connecting to improperly grounded equipment can result in an electric shock to your device.

This product is equipped with a USB Cable for connecting with desktop or notebook computer. Be sure your computer is properly grounded (earthed) before connecting this product to the computer. The power supply cord of a desktop or notebook computer has an equipment-grounding

conductor and a grounding plug. The plug must be plugged into an appropriate outlet which is properly installed and grounded in accordance with all local codes and ordinances.

Safety Precautions for Power Supply Unit

- Use the correct external power source
A product should be operated only from the type of power source indicated on the electrical ratings label. If you are not sure of the type of power source required, consult your authorized service provider or local power company. For a product that operates from battery power or other sources, refer to the operating instructions that are included with the product.

This product should be operated only with the following designated power supply unit(s).

AC Adapter: HTC, TC U250

- Handle battery packs carefully

This product contains a Lithium-ion polymer or Lithium-ion battery. There is a risk of fire and burns if the battery pack is handled improperly. Do not attempt to open or service the battery pack. Do not disassemble, crush, puncture, short external contacts or circuits, dispose of in fire or water, or expose a battery pack to temperatures higher than 60°C (140°F).

WARNING: To reduce risk of fire or burns, do not disassemble, crush, puncture, short external contacts, expose to temperature above 60°C (140°F), or dispose of in fire or water. Recycle or dispose of used batteries according to the local regulations or reference guide supplied with your product.

Take Extra Precautions

- Keep the device dry and away from water or any liquid as it may cause a short circuit.
- The phone should only be connected to products that bear the USB-IF logo or have completed the USB-IF compliance program.
- Only use the battery with a charging system that has been qualified with the system per this standard, IEEE-Std-1725. Use of an unqualified battery or charger may present a risk of fire, explosion, leakage or other hazard.
- Avoid dropping the phone. If the phone or battery is dropped, especially on a hard surface, and the user suspects damage, take it to a service centre for inspection.

- If the battery leaks:
 - Do not allow the leaking fluid to come in contact with skin or clothing. If already in contact, flush the affected area immediately with clean water and seek medical advice.
 - Do not allow the leaking fluid to come in contact with eyes. If already in contact, DO NOT rub; rinse with clean water immediately and seek medical advice.
 - Take extra precautions to keep a leaking battery away from fire as there is a danger of ignition or explosion.

Electrical Safety

- Accessories
 - Use only approved accessories.
 - Do not connect with incompatible products or accessories.
- Connection to a car

Seek professional advice when connecting a phone interface to the vehicle electrical system.

- Faulty and damaged products
 - Do not attempt to disassemble the phone or its accessory.
 - Only qualified personnel must service or repair the phone or its accessory.

General Precautions

You alone are responsible for how you use your phone and any consequences of its use. You must always switch off your phone wherever the use of a phone is prohibited. Use of your phone is subject to safety measures designed to protect users and their environment.

- Protect your phone
 - Do not use harsh chemicals, cleaning solvents, or aerosols to clean the device or its accessories.

- Do not attempt to disassemble your phone or its accessories, only authorised personnel must do so.
- Avoid hot areas
The product should be placed away from heat sources such as radiators, heat registers, stoves, or other products (including amplifiers) that produce heat.

Avoid Using Your Device after a Dramatic Change in Temperature

When you move your device between environments with very different temperature and/or humidity ranges, condensation may form on or within the device. To avoid damaging the device, allow sufficient time for the moisture to evaporate before using the device.

NOTICE: When taking the device from low-temperature conditions into a warmer environment or from high-temperature conditions into a cooler environment, allow the

device to acclimate to room temperature before turning on power.

- Avoid pushing objects into product
Never push objects of any kind into cabinet slots or other openings in the product. Slots and openings are provided for ventilation. These openings must not be blocked or covered.
- Adjust the volume
Turn down the volume before using headphones or other audio devices.
- Cleaning
Unplug the product from the wall outlet before cleaning. Do not use liquid cleaners or aerosol cleaners. Use a damp cloth for cleaning, but NEVER use water to clean the LCD screen.

Regulatory Agency Identifications

For regulatory identification purposes, your product is assigned a model number of **OPM9200**.

Your phone's FCC ID is **NM80PM9200**. This FCC ID can also be found printed inside the battery compartment.

To ensure continued reliable and safe operation of your device, use only the HTC qualified battery with your OPM9200. Battery Pack, model number **BOPKX100**.

Operating temperature range: 32°F to 104°F (0°C to 40°C)

FCC Hearing-Aid Compatibility (HAC) Regulations for Wireless Devices

The FCC has adopted rules to ensure reasonable access to telecommunications services for persons with hearing disabilities. As part of this

effort, the industry uses a rating system for wireless phones to help hearing device users find phones that may be compatible with their hearing devices (hearing aids and cochlear implants). This hearing-aid compatibility (HAC) rating system is described in the American National Standards Institute (ANSI) C63.19 standard and includes the following ratings:

M-Ratings: For phones that use acoustic coupling with hearing devices that are not operating in telecoil mode. Phones rated M3 or M4 meet FCC HAC requirements and are likely to generate less radio frequency interference with hearing devices than phones with lower ratings. M4 is the better/higher of the two ratings. **Your HTC Desire 626s is rated M4.**

T-Ratings: For phones that use inductive coupling with hearing devices operating in telecoil mode. Phones rated T3 or T4 meet FCC HAC requirements and are likely to be more usable with a hearing aid's telecoil than phones that

are not rated. T4 is the better/higher of the two ratings. **Your HTC Desire 626s is rated T4.**

This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer wireless technologies used in this phone that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Consult your service provider or the manufacturer of this phone for information on hearing aid compatibility. If you have questions about return or exchange policies, consult your service provider or phone retailer.

The ratings are not guarantees. Trying out the phone with your hearing device is the best way to evaluate it for your personal needs. Results will vary depending on a user's hearing device and hearing loss. For example, if some wireless phones

are used near some hearing devices, users may detect a buzzing, humming, or whining noise. Some hearing devices are more immune than others to this interference noise, and phones also vary in the amount of interference they generate. If your hearing device happens to be vulnerable to interference, you may not be able to use a rated phone successfully.

Please power off the Bluetooth function while using hearing aid devices with your HTC Desire 626s.

Caring for the Battery

Protecting Your Battery

The guidelines listed below help you get the most out of your battery's performance.

- Recently there have been some public reports of wireless phone batteries overheating, catching fire, or exploding. It appears that many, if not all, of these reports involve counterfeit or inexpensive, aftermarket-brand batteries with unknown or questionable manufacturing standards. Sprint is not aware of similar problems with Sprint phones resulting from the proper use of batteries and accessories approved by Sprint or the manufacturer of your phone. Use only Sprint-approved or manufacturer-approved batteries and accessories found at Sprint Stores or through your phone's manufacturer, or call 1-866-866-7509 to order. They're also available at sprint.com/accessories. Buying the right

batteries and accessories is the best way to ensure they're genuine and safe.

- In order to avoid damage, charge the battery only in temperatures that range from 32° F to 104° F (0° C to 40° C).
- Don't use the battery charger in direct sunlight or in high humidity areas, such as the bathroom.
- Never dispose of the battery by incineration.
- Keep the metal contacts on top of the battery clean.
- Don't attempt to disassemble or short-circuit the battery.
- The battery may need recharging if it has not been used for a long period of time.
- It's best to replace the battery when it no longer provides acceptable performance. It can be recharged hundreds of times before it needs replacing.

- Don't store the battery in high temperature areas for long periods of time. It's best to follow these storage rules:
 - -4° F to 104° F (-20° C to 40° C)

Disposal of Lithium Ion (Li-Ion) Batteries

Do not handle a damaged or leaking Li-Ion battery as you can be burned.

For safe disposal options of your Li-Ion batteries, contact your nearest Sprint authorized service center.

Special Note: Be sure to dispose of your battery properly. In some areas, the disposal of batteries in household or business trash may be prohibited.

Exposure to Radio Frequency Energy

Your wireless device has an internal antenna that emits radio frequency (RF) energy. Human exposure to RF energy has been and continues to be the subject of scientific research. According

to the U.S. Food and Drug Administration (FDA), “the weight of scientific evidence has not linked cell phones with any health problems.” You can access this FDA publication and other information on human exposure to RF energy at:

Specific Absorption Rate (SAR) Testing

Your device has been designed to comply with applicable limits for RF exposure. These limits use a unit of measurement called Specific Absorption Rate, or SAR, which refers to the rate at which the body absorbs RF energy. The Federal Communications Commission (FCC) has established a SAR limit for mobile phones of 1.6 W/kg, which applies in the United States and other

countries that follow the FCC's SAR limit. This limit is based upon standards developed by expert non-government organizations, such as the Institute of Electrical and Electronics Engineers (IEEE) and the National Council on Radiation Protection and Measurements (NCRP), and input from other federal agencies such as the FDA and EPA. In countries that follow the Council of the European Union, the SAR limit is 2.0 W/kg.

SAR testing is conducted with the device placed in common operating positions (e.g., held against the head, worn on the body) and transmitting at its highest certified power level in each frequency band of operation. Because the device is transmitting at its highest certified power level, SAR tests capture a worst-case operating scenario and therefore often do not reflect the amount of RF exposure during normal, everyday use. More information on SAR testing is available on the FCC's website at <http://www.fcc.gov/guides/wireless-devices-and-health-concerns>.

HTC Corp. submitted SAR test results demonstrating compliance with the FCC's SAR limit for wireless devices as part of the FCC's equipment certification process for this device. These results can be accessed via the FCC's equipment authorization database (found at <http://transition.fcc.gov/oet/ea/fccid/>) by searching for the device's FCC ID: NM80PM9200. This device's maximum SAR values as reported to the FCC are:

Head: 0.38 W/kg@1g

Body: 1.08 W/kg@1g

This device was tested for typical body-worn operations. A minimum separation distance must be maintained between the user's body and the handset, including the antenna:

- 1 cm to comply with the RF exposure requirements in the U.S.
- 1.5 cm to comply with the RF exposure requirements in Europe.

Third-party belt-clips, holsters, and similar accessories used by this device should not contain any metallic components. Body-worn accessories that do not meet these requirements may not comply with RF exposure requirements and should be avoided.

Reducing RF Exposure

Organizations such as the FCC have identified the following measures to reduce your exposure to RF energy:

- Use speaker mode or a hands-free accessory to minimize time spent with the wireless device held against your head;
- Increase the distance between the wireless device and your head and body; and
- Send texts instead of making or receiving voice calls.

For more information, see the FCC's web page on Wireless Devices and Health Concerns at

<http://www.fcc.gov/guides/wireless-devices-and-health-concerns>.

FCC RF Radiation Exposure Statement

This equipment has been tested and found to comply with co-location compliance requirements for built-in Bluetooth and WLAN. This equipment must not be co-located or operated in conjunction with any other antenna or transmitter.

FCC Notice

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. this device may not cause harmful interference,
2. this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and

on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient the direction of the internal antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

HTC LIMITED WARRANTY

PLEASE READ THIS LIMITED WARRANTY CAREFULLY TO UNDERSTAND YOUR RIGHTS AND OBLIGATIONS. THIS LIMITED WARRANTY CONTAINS A MANDATORY ARBITRATION AGREEMENT.

BY USING YOUR HTC PRODUCT OR ACCESSORY, YOU AGREE TO THE LIMITED WARRANTY AND ARBITRATION AGREEMENT BELOW. IF YOU DO NOT ACCEPT THIS LIMITED WARRANTY OR ARBITRATION AGREEMENT, DO NOT USE YOUR HTC PRODUCT. INSTEAD, PLEASE RETURN IT WITHIN FOURTEEN (14) DAYS OF PURCHASE TO THE PROVIDER OR RETAILER FROM WHOM YOU PURCHASED IT FOR A REFUND. SOME STATES, WIRELESS SERVICE PROVIDERS OR RETAILERS ALLOW A LONGER RETURN PERIOD, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

DEFINITIONS

The following definitions apply to this Limited Warranty:

1. "Product" means a new mobile device that can be identified by the "HTC" trademark, trade name, or logo affixed to the device as originally supplied, manufactured by or

for HTC and purchased from an authorized retailer.

2. "Accessory" means a new headset, case, or other secondary component that is not affixed to the Product at the time of sale and included in the box; provided that it was manufactured by or for HTC and purchased from an authorized retailer and can be identified by the "HTC" trademark, trade name, or logo affixed to the to the component as originally supplied.
3. "Warranty Period," for a Product, means twelve (12) months from the date You purchased the Product from an authorized retailer; and for Accessories, including any media on which software is provided, CD-ROM, or memory card, means ninety (90) days from the date You purchased it from an authorized retailer; unless You and HTC agree in writing to a different duration.

4. "State" means a State, the District of Columbia, and any other United States territory or possession.
5. "You" or "Your" means the original retail purchaser and/or original end-user of the Product or Accessory.

WHAT IS COVERED BY THIS LIMITED WARRANTY?

During the Warranty Period HTC warrants that the Product or Accessory will function properly if used under normal conditions in accordance with the user instruction materials packaged with the Product or Accessory or posted on-line ("Limited Warranty").

This Limited Warranty is given only to You, and may not be sold, assigned, transferred, or given in full or in part to any subsequent purchaser or acquirer of the Product or Accessory or any other person. This Limited Warranty gives You specific

legal rights, and You may also have other rights which vary from State to State.

WHAT IS NOT COVERED BY THIS LIMITED WARRANTY?

This Limited Warranty does not apply other than to the Product or Accessory. It therefore does not apply to any non-HTC equipment or any software whatsoever, whether developed by HTC or a third party, even if packaged with or installed on the Product or Accessory prior to purchase by You. Third party manufacturers, suppliers, or publishers may provide warranties for their own products and You may contact them directly for service.

EVEN WITH RESPECT TO THE PRODUCT OR ACCESSORY YOU PURCHASED, THIS LIMITED WARRANTY SHALL NOT APPLY:

1. if the Product or Accessory serial number, the date code, the IMEI/MEID number, the water indicator, or the warranty seal (void label) has

been removed, erased, defaced, or altered, or is illegible;

2. to any deterioration of the cosmetic appearance of the Product or Accessory due to normal wear and tear;
3. to consumable parts, such as batteries or protective coatings that are reasonably expected to diminish over time, unless failure has occurred due to a malfunction;
4. to malfunctions caused by the battery, if improperly installed by You or another person, if the seals of the battery enclosure or the cells are broken or show evidence of tampering, or if used in equipment other than that for which it has been specified;
5. to malfunctions caused by electrical surges or other electrical current problems that are not the fault of the Product or Accessory;

6. to use not in accordance with the user manual; rough handling; exposure to moisture, dampness or extreme thermal or environmental conditions or a rapid change in such conditions; corrosion; or oxidation;
7. to unauthorized modifications or connections, unauthorized opening, repair by use of unauthorized spare parts, or repair by an unauthorized person or location;
8. to accidents, forces of nature, or other actions beyond the reasonable control of HTC (including but not limited to deficiencies in consumable parts) unless the defect was caused directly by a malfunction;
9. to physical damage to the surface of the Product or Accessory, including but not limited to cracks or scratches on any LCD screen or lens;
10. to any Bluetooth device, wireless connection or other product to which the Product may connect. HTC does not warrant that the operation of the Product or Accessory will be uninterrupted or error-free. HTC makes no warranty regarding the speed or quality of service provided by a wireless service provider;
11. where the software loaded on the Product, including but not limited to the operating system, needs to be upgraded due to changes in cellular network parameters or the availability of an updated operating system, if such updates can be loaded by You;
12. to any Product in which the bootloader has been unlocked, or in which the operating system has been altered, including any failed attempts to unlock the bootloader or alter the operating system, regardless of whether such modifications are authorized, approved, or otherwise sanctioned by HTC; or
13. to malfunctions caused by the use of the Product or Accessory with or connection of

the Product to an accessory not approved or provided by HTC or used in any way other than its intended use and where such defect is not the fault of the Product itself. Many companies sell accessories such as internal or external batteries, rapid chargers, or signal boosters that may look like HTC Accessories and/or claim to meet or exceed HTC specifications. Use of non-HTC accessories may void this Limited Warranty.

This Limited Warranty is valid and enforceable only in the country where the Product or Accessory is intended to be sold. Moreover, if the Product or Accessory is returned to be repaired under this Limited Warranty in a country other than where it was intended to be sold, HTC will attempt to repair the Product or Accessory but cannot guarantee the outcome or compatibility with wireless network(s) outside the intended destination country. Warranty service availability and response times may vary from country to

country and may also be subject to a registration requirement in the country of purchase.

HOW DO I OBTAIN WARRANTY SERVICE?

In the event of a perceived malfunction in the Product or Accessory, You should take the following actions:

1. Refer to the user manual and/or resources available at www.htc.com/support in order to identify and correct the problem. **Please note that opening of the Product or Accessory may cause damage that is not covered under the Limited Warranty.**
2. If the problem cannot be resolved by reference to the user manual and/or resources available at www.htc.com/support, You should contact the provider or retailer from which You purchased the Product or Accessory, contact an HTC service center, or visit www.htc.com for further information.

Only HTC or an HTC authorized service center should perform service on the Product or Accessory.

3. When You contact the provider, retailer, or HTC, please be sure to have the following information available:
 - (a) The model, serial number, and IMEI/ESN number of the Product or Accessory.
 - (b) Your full address and contact information.
 - (c) A copy of the original invoice, receipt or bill of sale for the purchase of the Product or Accessory. You must present a valid proof of purchase upon making any claims pursuant to this Limited Warranty. If no valid proof of purchase is supplied and the Product or Accessory was manufactured more than fifteen (15) months prior to the date the claim is made, HTC has no obligation to provide support under the Limited Warranty.

Upon completion of these steps, the provider, retailer, or HTC will provide You with instructions regarding how and when the Product or Accessory should be returned. You may be responsible for costs in connection with the return of the Product or Accessory to the provider, retailer, or HTC.

If You return the Product or Accessory during the Warranty Period and it satisfies the terms of this Limited Warranty, HTC or its authorized agent will, at its sole discretion, repair or replace it. Repair or replacement may involve the use of a functionally equivalent reconditioned Product and/or parts. The provider, retailer, or HTC will return the repaired or replacement Product or Accessory to You in good working condition. Any Product, Accessory, or parts or components thereof that are replaced under the terms of this Limited Warranty become the property of the provider, retailer, or HTC.

Rather than ask You to return the Product or Accessory, HTC may instead elect to supply user-installable parts directly to You to fulfill its Limited Warranty obligations. You in turn agree to return the replaced parts if requested by HTC.

Before returning any unit for service, be sure to back up data and remove any confidential, proprietary, or personal information, and/or removable memory from the Product, such as micro SD cards. HTC is not responsible for damage to or loss of any programs, data, images, personal information, or removable storage media. DURING THE NORMAL REPAIR PROCESS, THE CONTENTS OF THE PRODUCT WILL LIKELY BE ERASED, INCLUDING DATA STORED ON EITHER INSTALLED OR REMOVABLE STORAGE. At HTC's sole discretion, the Product or Accessory may be returned to You in either the original configuration or as updated to the newest available software.

HTC reserves the right to restrict warranty service to the country where the Product or Accessory

was intended to be sold. HTC must be notified of a perceived malfunction during the applicable Warranty Period in order for You to be eligible for any remedy under the Limited Warranty. Do not ship Your Product or Accessory directly to HTC unless You are asked to do so when following the steps above. If You need to return the Product or Accessory for warranty service, the steps above must be followed.

DISCLAIMER AND LIMITATION OF OTHER WARRANTIES AND RIGHTS

TO THE EXTENT PERMITTED BY LAW, THIS LIMITED WARRANTY AND THE REMEDIES SET FORTH ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, REMEDIES, AND CONDITIONS, WHETHER ORAL, WRITTEN, STATUTORY, EXPRESS, OR IMPLIED. HTC DISCLAIMS ALL STATUTORY AND IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE

AND WARRANTIES AGAINST HIDDEN OR LATENT DEFECTS, TO THE EXTENT PERMITTED BY LAW. INsofar AS SUCH WARRANTIES CANNOT BE DISCLAIMED, HTC LIMITS THE DURATION AND REMEDIES OF SUCH WARRANTIES TO THE DURATION OF THIS LIMITED WARRANTY AND, AT HTC'S OPTION, THE REPAIR OR REPLACEMENT SERVICES DESCRIBED BELOW. Some States do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to You.

LIMITATION OF LIABILITY

EXCEPT AS PROVIDED IN THIS WARRANTY AND TO THE MAXIMUM EXTENT PERMITTED BY LAW, HTC SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL LOSSES OR DAMAGES OF ANY NATURE WHATSOEVER, INCLUDING BUT NOT LIMITED TO LOST PROFITS OR COMMERCIAL LOSS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, LOSS OF DATA, LOSS OF PRIVACY, OR LOSS OF CONFIDENTIALITY.

NOTWITHSTANDING THE FOREGOING AND EVEN IF ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE, HTC AND ITS SUPPLIERS' ENTIRE LIABILITY UNDER ANY PROVISION OF THIS LIMITED WARRANTY SHALL BE LIMITED TO THE AMOUNT ACTUALLY PAID BY THE CUSTOMER FOR THE PRODUCT. THESE EXCLUSIONS APPLY EVEN IF HTC HAS BEEN ADVISED OF THE POSSIBILITY OF THESE DAMAGES. Some States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to You.

AGREEMENT TO ARBITRATE DISPUTES

ALL DISPUTES ARISING IN ANY WAY FROM THIS LIMITED WARRANTY OR THE SALE, CONDITION, USE, OR PERFORMANCE OF THE PRODUCT AND/OR ACCESSORY SHALL BE RESOLVED EXCLUSIVELY THROUGH FINAL AND BINDING ARBITRATION, AND NOT BY A COURT OR JURY.

If You intend to seek arbitration under the preceding paragraph, You must first notify HTC of the dispute in writing at least 30 days in advance of initiating the arbitration. Notice to HTC should be sent to HTC Arbitration Program Administrator, 13920 SE Eastgate Way, Suite 200, Bellevue, WA 98005. Similarly, if HTC intends to seek arbitration under the preceding paragraph, HTC must first notify You of the dispute in writing at least 30 days in advance of initiating the arbitration. The notice must describe the nature of the claim and the relief being sought. If You and HTC are unable to resolve the dispute within 30 days, either You or HTC may then file an arbitration claim. HTC will pay any filing fee charged to initiate the arbitration as well as any administrative and arbitrator fees charged later by the arbitral body, unless Your claim is found to be frivolous.

The arbitration shall be conducted before a single arbitrator, whose award may not exceed, in form or amount, the relief that a United States District

Court could order under the Limited Warranty. The arbitration shall be according to the American Arbitration Association Commercial Arbitration Rules applicable to consumer disputes (the “AAA Rules”), except insofar as those rules would be inconsistent with any part of this Limited Warranty, including without limitation the agreement to arbitrate. The arbitration shall be held in the county in which You are billed for Your wireless service.

For any arbitration in which Your total monetary claims, exclusive of attorney’s fees and expert witness fees, are \$5,000 or less, the arbitrator may, if You prevail, award Your reasonable attorney’s fees and expert witness fees as part of any award, but may not grant HTC its attorney’s fees, expert witness fees, or costs unless the arbitrator finds that You brought the claim in bad faith or that Your claim is frivolous under applicable legal standards. For claims of \$5,000 or less, You may decide whether You would prefer to have the arbitration

decided based only on documents submitted to the arbitrator, or by a hearing in person or by phone. In a case where Your total monetary claims, exclusive of attorney's fees and expert witness fees, are greater than \$5,000, the arbitrator may grant to the prevailing party, or apportion among the parties, reasonable attorney's fees, expert witness fees, and costs, insofar as it is permitted by governing law.

This agreement to arbitrate is subject to the following additional conditions:

1. Decisions Concerning Arbitrability or Enforceability: Notwithstanding the AAA Rules, any decisions concerning arbitrability of a particular dispute, including but not limited to whether a class arbitration is permitted by this Limited Warranty, shall be resolved by a proper court, rather than an arbitrator. Any dispute concerning the enforceability of this agreement to arbitrate,

or any part thereof, shall also be resolved by a proper court, rather than an arbitrator.

2. Waiver of Class Arbitration: NO DISPUTE WITHIN THE SCOPE OF THE DISPUTE RESOLUTION CLAUSE MAY BE COMBINED OR CONSOLIDATED WITH A DISPUTE INVOLVING ANY OTHER PERSON'S OR ENTITY'S PRODUCT OR CLAIM. **NO CLASS OR COLLECTIVE ARBITRATION IS PERMITTED, EVEN IF THE AAA RULES OR OTHER RULES GOVERNING THE ARBITRATION WOULD OTHERWISE PERMIT IT.** THE ARBITRATOR IS AUTHORIZED TO AWARD RELIEF ONLY IN FAVOR OF THE INDIVIDUAL PARTY SEEKING RELIEF AND ONLY TO THE EXTENT PERMITTED TO RESOLVE THAT INDIVIDUAL'S CLAIM, SUBJECT TO THE RESTRICTIONS IN THIS LIMITED WARRANTY.
3. Applicability of Agreement to Arbitrate: IF THE PROHIBITION ON CLASS ARBITRATIONS SET FORTH ABOVE IS DEEMED TO BE

UNENFORCEABLE, THEN THE AGREEMENT TO ARBITRATE WILL NOT APPLY.

4. **RIGHT TO OPT OUT:** This agreement to arbitrate disputes will apply unless You notify HTC in writing no later than 30 calendar days of purchasing the Product or Accessory that You reject the agreement to arbitrate. You must include in Your notice of opt-out (a) Your name and address; (b) the date on which You purchased the Product or Accessory; (c) the Product model name; and (d) the IMEI or MEID or Serial Number of the Product or Accessory. These numbers can be found on the Product packaging and on the Product or Accessory. You must send Your written notice to HTC Arbitration Program Administrator, 13920 SE Eastgate Way, Suite 200, Bellevue, WA 98005. No other form of notice will be effective to opt out of this agreement to arbitrate. If You opt

out of the agreement to arbitrate, the Limited Warranty will still apply to You.

GENERAL PROVISIONS

1. **Waiver of Jury Trial:** IF A DISPUTE BETWEEN YOU AND HTC PROCEEDS IN COURT RATHER THAN OR IN ADDITION TO IN ARBITRATION, YOU AND HTC UNCONDITIONALLY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS LIMITED WARRANTY.
2. **Governing Law:** The Federal Arbitration Act (the "FAA") applies to the agreement to arbitrate. Except as preempted by FAA, the law of the State of Washington, without reference to its choice of laws principles, shall govern this Limited Warranty. Notwithstanding the foregoing, the laws of Your state of residence will apply to any tort claims and/or

any claims under any consumer protection statutes.

3. Severability: Except as specifically provided above, if any provision of this Limited Warranty is held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the enforceability of the remainder of the Limited Warranty.

Basic Definitions

In this document: (1) “we,” “us,” “our,” “Sprint,” and “Sprint Prepaid” mean Sprint Solutions, Inc., as contracting agent on behalf of the applicable

Sprint affiliated entities providing the products and Services; (2) “you,” “your,” “customer,” and “user” mean an account holder or user with us; (3) “Device” means any phone, aircard, mobile broadband device, any other device, accessory, or other product that we provide you, we sell to you, or is active on your account with us; and (4) “Service” means Sprint Prepaid-branded offers, rate or service plans, options, wireless services, billing services, applications, programs, products, software, or Devices on your account with us. “Service(s)” also includes any other product or service that we offer or provide to you that references these General Terms and Conditions of Service (“Ts&Cs”).

The Service Agreement

These Ts&Cs are part of your service agreement with us (the “Agreement”) and constitute a contract under which we provide you Services under terms and conditions that you accept.

THIS AGREEMENT CONTAINS A MANDATORY

ARBITRATION PROVISION WITH A CLASS WAIVER, A REPRESENTATIVE ACTION WAIVER, AND A JURY WAIVER PROVISION. In addition to these Ts&Cs, there are several parts of the Agreement, which includes but is not limited to the following: (i) the subscriber agreement and transaction materials that you receive and accept; (ii) the plan(s) that you chose as set forth in our written services and transaction materials that we provide or refer you to during the sales transaction, including on-line and telephone transactions (if your service plan is not specifically set forth in any in-store brochure or printed materials, the requirements and terms set forth in the current Agreement and transaction materials apply); (iii) any confirmation materials that we may provide to you; and (iv) the terms set forth in the coverage map brochures. **It is important that you carefully read all of the terms of the Agreement.**

Additional Terms

Additional terms will apply when you use certain applications, programs, Devices, and services, and these terms will be provided to you prior to your use of the items. Depending on who provides the items, the terms may come from Sprint Prepaid or a third party. You are subject to any terms provided by the third party, and the terms are directly between you and that third party. Sprint Prepaid is not responsible for these third-party items and associated terms.

Our Policies

Services are subject to our business policies, practices, and procedures (“Policies”). You agree to adhere to all of our Policies when you use our Services. Our Policies are subject to change at any time with or without notice.

When You Accept The Agreement

You must have the legal capacity to accept the Agreement. You accept the Agreement when you do any of the following: (a) accept the Agreement through any printed, oral, or electronic statement, for example, on the Web by electronically marking that you have reviewed and accepted; (b) attempt to or in any way use the Services; (c) pay for the Services; or (d) open any package or start any program that says you are accepting the Agreement when doing so. **If you don't want to accept the Agreement, don't do any of these things.**

Service Activation

To activate the Service, you must both activate your account and establish an appropriate account balance to pay for pay-per-use charges and applicable subscription charges (defined in the "Types of Charges" section) based on the service plan you select. To establish an account

balance, pay a subscription charge, or make any other appropriate payments, follow the instructions provided with the equipment; at sprint.com/prepaid; or through Sprint Prepaid Customer Care.

Our Right To Change The Agreement & Your Related Rights

We may change any part of the Agreement at any time, including, but not limited to, rates, charges, how we calculate charges, discounts, coverage, technologies used to provide services, or your terms of Service. If you lose your eligibility for a particular rate plan or if a particular rate plan is no longer supported or available, we may change your rate plan to one for which you qualify. We will provide you notice of material changes—and we may provide you notice of non-material changes—in a manner consistent with this Agreement (see "Providing Notice To Each Other Under The Agreement" section). If you continue to access

or use our Services or increase your account balance on or after the effective date of a change, you accept the change. Do not access or use our Services after the effective date of a change if you decide to reject the change and terminate Service. You will not be entitled to any credit for the unused portion of your account balance if you decide to terminate Service in response to a change to the Agreement.

Our Right To Suspend Or Terminate Services

We can, without notice, suspend or terminate any Service at any time for any reason. For example, we can suspend or terminate any Service for the following: (a) failure to have or maintain an appropriate account balance for applicable charges; (b) harassing/threatening/abusing/offending our employees or agents; (c) providing false or inaccurate information; (d) interfering with our operations; (e) using/suspicion of

using Services in any manner restricted by or inconsistent with the Agreement and Policies; (f) breaching, failing to follow, or abusing the Agreement or Policies; (g) modifying a Device from its manufacturer specifications (for example, rooting the device); or (h) if we believe the action protects our interests, any customer's interests, or our networks.

Your Right To Change Services & When Changes Are Effective

The account holder can typically change Services upon request. In some instances, changes may be conditioned on payment of certain charges. The effective date of any changes will depend on our Policies, the old Services, and the requested Services. We will not credit or refund any subscription or other charges as a result of a change in Services. We may—but are not obligated to—provide you the opportunity to authorize someone else to make changes

to your Services. You are responsible for any changes to your Services made by a person you authorize, and those changes will be treated as modifications to this Agreement.

Restrictions On Using Services

You can't use our Services: (a) in a way that could cause damage or adversely affect any of our other customers or our reputation, networks, property, or Services; or (b) in any way prohibited by the terms of our Services, the Agreement, or our Policies. You cannot in any manner resell the Services to another party. For additional restrictions on the use of our Services, see our Acceptable Use Policy and Visitors Agreement, which are available on our website, and the detailed plan or other information on Services that we provide or refer you to during the sales transaction.

Your Device, Number & Email Address

We don't manufacture any Device that we might sell to you or that is associated with our Services, and we aren't responsible for any defects, acts, or omissions of the manufacturer.

The only warranties on your Device are the limited warranties given to you by the manufacturer directly or that we pass through.

Device performance may vary based on device specifications (for example, a device's software, memory, and storage), and device performance may impact access to all of our Services. This Device is sold exclusively for use with our Service and in other coverage areas that we may make available to you. As programmed, it will not accept wireless service from another carrier. Except for any legal right you may have to port/transfer your phone number to another carrier, you have no—and cannot gain any (for example, through publication, use, etc.)—proprietary,

ownership, or other rights to any phone number, identification number, email address, or other identifier that we assign to you, your Device, or your account. We'll notify you if we decide to change or reassign them.

Porting/Transferring Phone Numbers

We don't guarantee that number transfers to or from us will be successful. If you authorize another carrier to transfer a number away from us, then that is considered a request by you to us to terminate all of the Services associated with that number.

Coverage; Where Your Device Will Work; Service Speeds

Our coverage maps are available at our authorized retail locations or [sprint.com/prepaidcoverage](https://www.sprint.com/prepaidcoverage). The specific network coverage you get will depend on the radio transmissions

your Device can pick up and Services you've chosen. **Our coverage maps provide high level estimates of our coverage areas when using Services outdoors under optimal conditions. Coverage isn't available everywhere. Coverage and Service speeds are not guaranteed. Coverage is subject to change without notice. Service speeds may depend on the Service purchased. Actual speeds will vary. Estimating wireless coverage, signal strength, and Service speed is not an exact science. There are gaps in coverage within our estimated coverage areas that—along with other factors both within and beyond our control (for example, network problems, network or Internet congestion, software, signal strength, your Device, structures, buildings, weather, geography, topography, server speeds of the websites you access, actions of third parties, etc.)—may result in dropped and blocked connections, slower Service speeds, or otherwise impact the quality of Service. Services that rely on location information, such as E911 and GPS**

navigation, depend on your Device's ability to acquire satellite signals (typically not available indoors) and network coverage. While your Device is receiving a software update, you may be unable to use your Device in any manner until the software update is complete.

Roaming

The term “roaming” typically refers to coverage on another carrier’s network that we may make available to you based on our agreements with other carriers. These agreements may change from time to time, and roaming coverage is subject to change without notice. Your ability to receive roaming coverage depends on the radio transmissions your Device can pick up and the availability of roaming coverage. We make no guarantee that roaming coverage will be available. Roaming coverage may exist both within and outside our network coverage areas. Your Device will generally indicate when you’re roaming. Depending on your Services, separate

charges or limits on the amount of minutes used while roaming may apply. Certain Services may not be available or work the same when roaming (for example, data Services, voicemail, call waiting, etc.). For information on whether roaming applies, see your service plan details.

About Data Services & Content

Our data Services and your Device may allow you to access the Internet, text, pictures, video, games, graphics, music, email, applications, sound, and other materials (“Data Content”) or send Data Content elsewhere. Some Data Content is available from us or our vendors, while other Data Content can be accessed from others (for example, third party websites, games, ringtones, applications, etc.). We make absolutely no guarantees about the Data Content that you access on your Device. **Data Content may be: (1) unsuitable for children/minors; (2) unreliable or inaccurate; or (3) offensive, indecent, or objectionable. You’re solely responsible for**

evaluating the Data Content accessed by you or anyone through your Services. We strongly recommend that you monitor data usage by children/minors. Data Content from third parties may also harm your Device or its software. We are not responsible for any Data Content. We are not responsible for any damage caused by any Data Content that you access through your Services, that you load on your Device, or that you request that our representatives access or load on your Device. To protect our networks and Services or for other reasons, we may place restrictions on accessing certain Data Content (such as certain websites, applications, etc.); impose separate charges; limit throughput or the amount of data that you can transfer; or otherwise limit or terminate Services. If we provide you storage for Data Content that you have purchased, then we may delete the Data Content without notice or place restrictions/limits on the use of storage areas. Data Content stored on a Device, transmitted over our networks, or stored by Sprint

Prepaid may be deleted, modified, or damaged. You may not be able to make or receive voice calls while using data Services. Data Content provided by our vendors or third parties is subject to cancellation or termination at any time without notice to you, and you may not receive a refund for any unused portion of the Data Content.

Specific Terms & Restrictions On Using Data Services

In addition to the rules for using all of our other Services, unless we identify the Service or Device that you have selected as specifically intended for that purpose (for example, wireless routers, Data Link, etc.), you can't use our data Services: (1) with server devices or host computer applications, or other systems that drive continuous, heavy traffic or data sessions; (2) as a substitute or backup for private lines or frame relay connections; or (3) for any other unintended use as we determine in our sole discretion. We reserve the right to limit,

suspend, or constrain any heavy, continuous data usage that adversely impacts our networks' performance or hinders access to our networks. If your Services include Web or data access, you also can't use your Device as a modem for computers or other equipment, unless we identify the Service or Device you have selected as specifically intended for that purpose (for example, with "phone as modem" plans, mobile broadband card plans, wireless router plans, etc.).

Software License

If Sprint Prepaid provides you software as part of the Service and there are not software license terms provided with the software (by Sprint Prepaid or by a third party), then Sprint Prepaid grants you a limited, revocable, non-exclusive, non-transferable license to use the software to access the Services for your own individual use. You will not sell, resell, transfer, copy, translate, publish, create derivative works of, make any commercial use of, modify, reverse engineer,

decompile, or disassemble the software. Sprint Prepaid may revoke this license at any time.

Fees, Activation & Miscellaneous Charges

Based on our Policies, we may charge activation, prepayment, reactivation, program, or other fees to establish, change, or maintain Services. Certain transactions may also be subject to a charge (for example, convenience payment, changing phone numbers, handset upgrades, etc.). You will be **informed** of these types of fees before we complete the requested transaction.

Usage Charges

The types of charges that you incur will vary depending on the Service used and your service plan. **You are responsible for the Services on your account and associated charges, including charges made by a person you permit to have direct or indirect access to your device even if you**

did not authorize its use. Charges may include, but are not limited to, prepayment for service charges; charges for additional services; and taxes, surcharges, and fees associated with your Services. For the actual usage charges applicable to your Service, see the detailed plan or other information we provide or refer you to during the sales transaction or on our website. Depending on your Services, charges for additional services may include operator and directory assistance, voicemail, call forwarding, data calls, texts, international Services, additional voice minutes, premium services (identified at the time of Service activation) and Web access. If you (the account holder) allow end users to access or use your Device, you authorize end users to access, download, and use Services. You will generally be charged for use of Services before or at the time of use in accordance with your service plan. In certain instances, we may charge at some point after you use the Service. Rates that vary based on the time of access will be determined based on

the location of the network equipment providing service and not the location of your Device or your Device's area code (if applicable). Charges are generally deducted from your account balance (for example, pay-per-use charges, subscription charges, etc.), though in some instances you may be able to pay for certain Services through a credit card, debit card, or other payment method. If you have incurred charges or fees that were not charged prior to your account balance reaching a zero balance, we may deduct these outstanding, unpaid charges and fees from any subsequent amounts you add to your account balance.

Types of Charges

We typically assess the following types of charges: (1) "pay-per-use charges," which are charges assessed each time a Service is used; (2) "subscription charges," which are charges that allow you access to a Service or provide you a certain amount of use of a Service for a defined period of time. Subscription charges for Services

end at 11:59 p.m., in the time zone in which your phone number is based, on the last day of your subscription period. Also, depending on your Service, certain types of subscription charges may be assessed automatically upon activation and automatically assessed for subsequent subscription periods; and (3) “download charges,” which are charges assessed when you download or access content, which we collect on behalf of ourselves or third-party content providers.

How We Calculate Your Charges

Regular Voice Calls: We round up partial minutes of use to the next full minute. Time starts when you press “Talk” or your Device connects to the network and stops when you press “End” or the network connection otherwise breaks. You’re charged for all calls that connect, even to answering machines, voicemail, or voice transcription services. You won’t be charged for unanswered calls or if you get a busy signal. For incoming calls answered, you’re charged from

the time shortly before the Device starts ringing until you press “End” or the network connection otherwise breaks. You’re charged for the entire call based on the rate that applies to the time period in which the call starts. However, the types of charges actually deducted from your account balance will vary depending on your Service. Call time data displayed on your device may be inaccurate and may not be relied upon for determining charges to your account. Call time for a single call may be subject to a maximum duration and may be automatically terminated if the maximum duration is exceeded.

Data Usage: Depending on your Service, you may be charged for data usage. Unless we specifically tell you otherwise, data usage is measured in bytes, kilobytes, megabytes, and gigabytes—not in minutes/time. 1024 bytes equals 1 kilobyte (“KB”), 1024 KB equals 1 megabyte, and 1024 megabytes equals 1 gigabyte. Bytes are rounded up to KB, so you will be charged at least 1 KB

for each data usage session (“data session”). Rounding occurs at the end of each data session and sometimes during a data session. Depending on your data Services, usage may be charged against an allowance or on a fixed price per KB, and you may be subject to limitations on the amount of data usage. If you are charged on a fixed price per KB, any fractional cents will be rounded up to the next cent. You are charged for all data directed to your Device’s Internet address, including data sessions you did not initiate and for incomplete transfers. As long as your Device is connected to our data networks, you may incur data charges. Examples of data for which you will be charged includes the size of a requested file or Data Content (game, ringer, etc.); Web page graphics (logos, pictures, banners, advertisement, etc.); additional data used in accessing, transporting, and routing the file on our network; data from partial or interrupted downloads; re-sent data; and data associated with unsuccessful attempts to reach websites

or use applications. These data charges are in addition to any charges for the Data Content itself (game, ringer, etc.). Data used and charged to you will vary widely, even between identical actions or data sessions. Estimates of data usage—for example, the size of downloadable files—are not reliable predictors of actual usage.

Taxes & Government Fees

You agree to pay all federal, state, and local taxes, fees, and other assessments that we’re required by law to collect and remit to the government on the Services that we provide to you. These charges may change from time to time without advance notice.

Surcharges

You agree to pay all Sprint Prepaid surcharges (“Surcharges”), which may include, but are not limited to: Federal Universal Service; Regulatory and administrative charges; gross receipts

charges, and other charges. **Surcharges are not taxes, and we are not required by law to assess them. They are part of our rates we choose, at our discretion, to collect from you to recover certain costs, and are kept by us. The number and type of Surcharges will be provided and may vary depending upon the location of the transaction or the primary account address of the payment method or Device and can change over time. We determine the amount for these charges, and these amounts are subject to change as are the components used to calculate these amounts.** We will provide you notice of any changes to Surcharges in a manner consistent with this Agreement (see “Providing Notice To Each Other Under The Agreement” section). However, because some Surcharges are based on amounts set by the government or based on government formulas, it will not always be possible to provide advance notice of new Surcharges or changes in the amount of existing Surcharges. Information

on Surcharges is provided during the sales transaction and is available on our website.

Disputing Charges

Any dispute to a charge that we assess you must be made in writing within 60 days of the date we deduct the charge from your account balance. You accept all charges not properly disputed within the above time period.

About Account Balances

To keep your account active and avoid service interruption, you must either maintain a positive account balance at all times or pay any applicable subscription charges, depending on your service plan. Account balances are not transferable, redeemable for cash, or refundable. Charges are deducted from either your account balance or you may be able to pay for certain services with a credit card, debit card or, as available, Paypal account (a “registered payment method”). There

may be limits on your account administration, for example account balance, number change, and device changes. See the detailed plan or other information we provide or refer you to during the sales transaction (also available at sprint.com/prepaid) for the account status rules that apply to your Service.

Establishing or Replenishing Account Balances

Information on how you can establish and maintain an account balance will be provided at activation and is also available at sprint.com/prepaid or through Sprint Prepaid Customer Care. The replenishment methods available to you will depend on the terms of your Services. A fee may apply to certain replenishment methods. Some service plans may provide for automatic account balance replenishment through, for example, automatic billing to a credit card or debit card or automatic debit from an eligible account with a financial institution. Payment through these methods may be subject to limitations, including,

but not limited to, the number of times an account may be debited or charged in a particular time period; the amount that may be debited or charged from an account; or other limitations imposed by us or the financial institution that holds the account.

Switching between Service Plans: Unless otherwise provided in the detailed plan or other information we provide or refer you to during the sales transaction, you may switch current Sprint Prepaid service plans. When you switch service plans, you will not receive a refund of any portion of any previously paid service charges and you will lose all of your remaining unused minutes, messages, and data allotment. Some service plans are available only on certain phones. Check sprint.com/prepaid for details and options. Repeated switching is not permitted and may result in termination of service.

Refunds: We are not responsible for, nor do we refund, lost, stolen, misused, or damaged

replenishment cards. We do not accept returns of or provide refunds for replenishment cards. Please ask your retailer any questions regarding its return policy. Replenishment cards must be applied to your account within the time specified on the card. All replenishment card sales are final and non-refundable regardless of who uses or possesses your mobile phone or device after you purchase services, and regardless of whether the mobile phone or device is used with your consent or knowledge.

Protecting Our Network & Services

We can take any action to: (1) protect our networks, our rights and interests, or the rights of others; or (2) optimize or improve the overall use of our networks and Services. Some of these actions may interrupt or prevent legitimate communications and usage—for example, message filtering/blocking software to prevent spam or viruses; limiting throughput; limiting access to certain websites, applications or

other Data Content; prohibitions on unintended uses (for example, use as a dedicated line or use as a monitoring service); etc. For additional information on what we do to protect our customers, networks, Services and equipment, see our Acceptable Use Policy and Visitors Agreement at our website.

Your Privacy

Our Privacy Policy is available at [sprint.com/legal/privacy.html](https://www.sprint.com/legal/privacy.html). This policy may change from time to time, so review it with regularity and care.

Call Monitoring: To ensure the quality of our Services and for other lawful purposes, we may monitor or record calls you make to us or we make to you (for example, your conversations with our customer service or sales departments).

Authentication and Contact: You (the account holder) must password protect your account information by establishing a personal identification number ("PIN"). You may also set a

backup security question and answer in the event you forget your PIN. You agree to protect your PIN, passwords, and other account access credentials like your backup security question from loss or disclosure. You further agree that Sprint Prepaid may, in our sole discretion, treat any person who presents your credentials that we deem sufficient for account access as you or an authorized user on the account for disclosure of information or changes in Service. You agree that we may contact you for Service-related reasons through the contact information that you provide, through the Services or Devices to which you subscribe, or through other available means, including text message, email, fax, recorded message, mobile, residential or business phone, or mail.

CPNI: As we provide telecommunications products and Services to you (the account holder), we develop information about the quantity, technical configuration, type, location, and destination of telecommunications products

and Services you use, as well as some other information found on your bill (“CPNI”). Under federal law, you have the right, and we have a duty, to protect the confidentiality of your CPNI. For example, we implement safeguards that are designed to protect your CPNI, including authentication procedures when you contact us.

Third-Party Applications: If you use a third-party application, the application may access, collect, use, or disclose your personal information or require Sprint Prepaid to disclose your information—including location information (when applicable)—to the application provider or some other third party. If you access, use, or authorize third-party applications through the Services, you agree and authorize Sprint Prepaid to provide information related to your use of the Services or the application(s). You understand that your use of third-party applications is subject to the third party’s terms and conditions and policies, including its privacy policy. Be sure that

you have reviewed and are comfortable with the third party's policies before using its application on your device.

Information on Devices: Your Device may contain sensitive or personal information (for example, pictures, videos, passwords, or stored credit card numbers). Sprint Prepaid is not responsible for any information on your Device, including sensitive or personal information. If possible, you should remove or otherwise safeguard any sensitive or personal information when your Device is out of your possession or control, for example, when you relinquish, exchange, return, or recycle your Device. By submitting your Device to us, you agree that our employees, contractors, or vendors may access all of the information on your Device. If you exchange, return, or recycle your Device through us, you must remove all data from your Device before you submit your Device to us.

Location-Enabled Services

Our networks generally know the location of your Device when it is outdoors and/or turned on. By using various technologies to locate your Device, we can provide enhanced emergency 911 services and optional location-enabled services provided by us or a third party. Network coverage or environmental factors (such as structures, buildings, weather, geography, landscape, and topography) can significantly impact the ability to access your Device's location information and use of location-enabled services.

You agree that any authorized user may access, use, or authorize Sprint Prepaid or third-party location-enabled applications through the Services. You understand that your use of such location-enabled applications is subject to the application's terms and conditions and policies, including its privacy policy. If you activate location-enabled services for devices used by other authorized users, you agree to inform the

authorized user(s) of the terms of use for location-enabled applications and that the Device may be located.

911 Or Other Emergency Calls

Public safety officials advise that when making 911 or other emergency calls, you should always be prepared to provide your location information.

Unlike traditional wireline phones, depending on a number of factors (for example, whether your Device is GPS-enabled, where you are, whether local emergency service providers have upgraded their equipment, etc.), 911 operators may not know your phone number, your location, or the location of your Device. In certain circumstances, an emergency call may be routed to a state patrol dispatcher or alternative location set by local emergency service providers. Enhanced 911 service (“E911”)—where enabled by local emergency authorities—uses GPS technology to provide location information. Even when available, however, E911 does not always

provide accurate location information. If your Device is indoors or for some other reason cannot acquire a satellite signal, you may not be located. Some Devices have a safety feature that prevents use of the keypad after dialing 911—you should follow voice prompts when interacting with emergency service providers employing interactive voice response systems to screen calls.

If Your Device Is Lost or Stolen

Call us immediately if your Device is lost or stolen so we can freeze your account. You may be responsible for usage charges before you notify us of the alleged loss or theft. You agree to cooperate if we choose to investigate the matter (provide facts, sworn statements, etc.). We may not credit or refund any account balance if you choose to terminate Services as a result of loss or theft of your Device. If you do not either activate a new device or notify us that you have found your device within 60 days from the date we froze

your account, your account will be deactivated, we may assess a charge equal to the balance in your account (which is not refundable), and, if applicable, you will lose your phone number.

Disclaimer of Warranties

You Agree That We Are Not Responsible For Certain Problems

You agree that neither we nor our parent, subsidiary, or affiliate companies, nor our vendors, suppliers, or licensors are responsible for any damages, delay, interruption or other failure to perform resulting from: (a) anything done or not done by someone else; (b) providing or failing to provide Services, including, but not limited to, deficiencies or problems with a Device or network coverage (for example, dropped, blocked, interrupted Services, etc.); (c) traffic or other accidents, or any health-related claims relating to our Services; (d) Data Content or information accessed while using our Services; (e) an interruption or failure in accessing or attempting to access emergency services from a Device, including through 911, Enhanced 911 or otherwise; (f) interrupted, failed, or inaccurate location information services; (g) information or communication that is blocked by a spam filter;

(h) damage to your Device or any computer or equipment connected to your Device, or damage to or loss of any information stored on your Device, computer, equipment, or Sprint Prepaid storage space from your use of the Services or from viruses, worms, or downloads of malicious content, materials, data, text, images, video, or audio; or (i) things beyond our control, including acts of God (for example, weather-related phenomena, fire, earthquake, hurricane, etc.), riot, strike, war, terrorism, or government orders or acts. You should implement appropriate safeguards to secure your Device, computer, or equipment and to backup your information stored on each.

You Agree That Our Liability Is Limited - No Consequential Damages

TO THE EXTENT ALLOWED BY LAW, OUR LIABILITY FOR MONETARY DAMAGES FOR ANY CLAIMS THAT YOU MAY HAVE AGAINST US IS LIMITED TO NO MORE THAN THE PROPORTIONATE AMOUNT OF THE SERVICE CHARGES ATTRIBUTABLE TO THE AFFECTED PERIOD. UNDER NO CIRCUMSTANCES ARE WE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, PUNITIVE, MULTIPLE, OR SPECIAL DAMAGES OF ANY NATURE WHATSOEVER ARISING OUT OF OR RELATED TO PROVIDING OR FAILING TO PROVIDE SERVICES IN CONNECTION WITH A DEVICE, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, LOSS OF BUSINESS, OR COST OF REPLACEMENT PRODUCTS AND SERVICES.

DISPUTE RESOLUTION AND ARBITRATION

PLEASE READ THIS CAREFULLY; IT AFFECTS YOUR RIGHTS

In those rare instances where your concern is not resolved to your satisfaction through calls to our customer care, you and Sprint Prepaid each agree to try to resolve those disputes in good faith after you provide written notice of the dispute as set forth below. If the dispute is not resolved, you and Sprint Prepaid agree that the dispute will be resolved through individual binding arbitration or small claims court, instead of courts of general jurisdiction.

Mandatory Arbitration and Waiver of Class Action

Instead of suing in court, you and Sprint Prepaid agree to arbitrate all Disputes (as defined below) on an individual, non-representative,

basis. You agree that, by entering into this Agreement, you and Sprint Prepaid are waiving the right to a trial by jury or to participate in a class action or representative action. This agreement to arbitrate is intended to be broadly interpreted.

In arbitration, there is no judge or jury. Instead Disputes are decided by a neutral third-party arbitrator in a more informal process than in court. In arbitration, there is limited discovery and the arbitrator's decision is subject to limited review by courts. However, just as a court would, the arbitrator must honor the terms of the Agreement and can award damages and relief, including any attorneys' fees authorized by law.

"Disputes" shall include, but are not limited to, any claims or controversies against each other related in any way to or arising out of in any way our Services or the Agreement, including, but not limited to, coverage, Devices, billing

services and practices, policies, contract practices (including enforceability), service claims, privacy, or advertising, even if the claim arises after Services have terminated. Disputes also include, but are not limited to, claims that: (a) you or an authorized or unauthorized user of the Services or Devices bring against our employees, agents, affiliates, or other representatives; (b) you bring against a third party, such as a retailer or equipment manufacturer, that are based on, relate to, or arise out of in any way our Services or the Agreement; or (c) that Sprint Prepaid brings against you. Disputes also include, but are not limited to, (i) claims in any way related to or arising out of any aspect of the relationship between you and Sprint Prepaid, whether based in contract, tort, statute, fraud, misrepresentation, advertising claims or any other legal theory; (ii) claims that arose before this Agreement or out of a prior Agreement with Sprint Prepaid; (iii) claims that are subject

to on-going litigation where you are not a party or class member; and/or (iv) claims that arise after the termination of this Agreement.

Dispute Notice and Dispute Resolution Period

Before initiating an arbitration or a small claims matter, you and Sprint Prepaid each agree to first provide to the other a written notice (“Notice of Dispute”), which shall contain: (a) a written description of the problem and relevant documents and supporting information; and (b) a statement of the specific relief sought. A Notice of Dispute to Sprint Prepaid should be sent to: *General Counsel; Arbitration Office; 12502 Sunrise Valley Drive, Mailstop VARESA0202-2C682; Reston, Virginia 20191*. Sprint Prepaid will provide a Notice of Dispute to you in accordance with the “Providing Notice To Each Other Under The Agreement” section of this Agreement. Sprint Prepaid will assign a representative to work

with you and try to resolve your Dispute to your satisfaction. You and Sprint Prepaid agree to make attempts to resolve the Dispute prior to commencing an arbitration or small claims action. If an agreement cannot be reached within forty-five (45) days of receipt of the Notice of Dispute, you or Sprint Prepaid may commence an arbitration proceeding or small claims action.

Arbitration Terms, Process, Rules and Procedures

(1) Unless you and Sprint Prepaid agree otherwise, the arbitration will be conducted by a single, neutral arbitrator and will take place in the county of the last billing address of the Service. The arbitration will be governed by either: (a) rules that we mutually agree upon; or (b) the JAMS Comprehensive Arbitration Rules & Procedures (the “JAMS Rules”), as modified by this agreement to arbitrate, including the rules about the filing, administration, discovery and

arbitrator fees. The JAMS rules are available on its website at jamsadr.com. Notwithstanding any JAMS Rule to the contrary or any other provision in arbitration rules chosen, by agreement, to govern the arbitration, we each agree that all issues regarding the Dispute are delegated to the arbitrator to decide, except that only a court (and not the arbitrator) shall decide any disagreements regarding the scope and enforceability of this agreement to arbitrate.

(2) The Federal Arbitration Act (“FAA”) applies to this Agreement and arbitration provision. We each agree that the FAA’s provisions—not state law—govern all questions of whether a Dispute is subject to arbitration. To the extent that this agreement to arbitrate conflicts with the JAMS Policy on Consumer Arbitrations Pursuant to Pre-Dispute Clauses Minimum Standards for Procedural Fairness (the “Minimum Standards”), the Minimum Standards in

that regard will apply. However, nothing in this paragraph will require or allow you or Sprint Prepaid to arbitrate on a class-wide, representative or consolidated basis.

(3) The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. **YOU AND SPRINT PREPAID AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN AN INDIVIDUAL CAPACITY, AND NOT AS A CLASS MEMBER IN ANY PUTATIVE CLASS OR REPRESENTATIVE PROCEEDING.** Further, unless both you and Sprint Prepaid expressly agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding. If any portion of this provision is found to be unenforceable, then

the entirety of this arbitration provision shall be null and void.

(4) We each are responsible for our respective costs, including our respective counsel, experts, and witnesses. Sprint Prepaid will pay for any filing or case management fees associated with the arbitration and the professional fees for the arbitrator's services.

(5) An arbitrator's award will be a written statement of the disposition of each claim and will also provide a concise written statement of the essential findings and conclusions which form the basis of the award. The arbitrator's decision and award is final and binding, with some limited court review under the FAA, and judgment on the award may be entered in any court with jurisdiction.

(6) As an alternative to arbitration, we may resolve Disputes in small claims court in the county of your most recent billing address. In addition, this arbitration agreement does

not prevent you from bringing your Dispute to the attention of any federal, state, or local government agency. Such agencies can, if the law allows, seek relief against Sprint Prepaid on your behalf.

No Trial By Jury and No Class Actions

IF FOR ANY REASON A CLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY WAY PROCEEDS IN COURT RATHER THAN IN ARBITRATION, REGARDLESS OF WHETHER THE CLAIM IS AN ACTION, COUNTERCLAIM OR ANY OTHER COURT PROCEEDING, WE EACH AGREE THAT TO THE EXTENT ALLOWED BY LAW, THERE WILL NOT BE A JURY TRIAL OR CLASS ACTION AND WE EACH UNCONDITIONALLY (1) WAIVE ANY RIGHT TO TRIAL BY JURY AND (2) WAIVE ANY RIGHT TO PURSUE DISPUTES ON A CLASSWIDE BASIS, INCLUDING JOINING A CLAIM WITH THE CLAIM OF ANY OTHER PERSON OR ENTITY OR ASSERT A CLAIM IN A REPRESENTATIVE

CAPACITY ON BEHALF OF ANYONE ELSE IN ANY OTHER PROCEEDING.

Indemnification

You agree to indemnify, defend, and hold Sprint Prepaid and our subsidiaries, affiliates, parent companies, vendors, suppliers, and licensors harmless from any claims arising out of or relating to your actions, including, but not limited to, your use of the Service and any information you submit, post, transmit, or make available via the Service; failing to provide appropriate notices regarding location-enabled services (see “Location-Enabled Services” section); failure to safeguard your passwords, backup question to your shared secret question, or other account information; or violating this Agreement or any policy referenced in this Agreement, any applicable law or regulation, or the rights of any third party.

Providing Notice To Each Other Under The Agreement

Except as the Agreement specifically provides otherwise, you must deliver written notice to us by mail to SPP, NSSG SBU 1084 S. Laurel Rd., London, KY 40744. We will provide you notice by correspondence to your last known address in our records, to any fax number or email address you've provided us, by calling you on your Device or any other phone number you've provided us, by voice message on your Device or any other phone number you've provided us, or by text message on your Device.

Other Important Terms

Subject to federal law or unless the Agreement specifically provides otherwise, this Agreement is governed solely by the laws of the state encompassing the area code assigned to your Device, without regard to the conflicts of law rules of that state. If either of us waives or doesn't

enforce a requirement under this Agreement in an instance, we don't waive our right to later enforce that requirement. Except as the Agreement specifically provides otherwise, if any part of the Agreement is held invalid or unenforceable, the rest of this Agreement remains in full force and effect. This Agreement isn't for the benefit of any third party except our corporate parents, affiliates, subsidiaries, agents, and predecessors and successors in interest. You can't assign the Agreement or any of your rights or duties under it unless we agree to the assignment. We can assign the Agreement without notice. You cannot in any manner resell Devices or Services to another party. You cannot export any Device. The Agreement and the documents it incorporates make up the entire agreement between us and replaces all prior written or spoken agreements—you can't rely on any contradictory documents or statements by sales or service representatives. The rights, obligations, and commitments in the Agreement that—by their nature—would logically

continue beyond the termination of Services (for example, those relating to billing, payment, 911, dispute resolution, no class action, no jury trial) survive termination of Services.
