

Label information

➤ Label location

Since the labelling area is too small to place FCC ID and model name on the device, the label information will be put on the user manual and product packaging.

➤ Label Sample

L Mdl No: H1000-0001L FCC ID: 2AF5TH1000L
R Mdl No: H1000-0001R FCC ID: 2AF5TH1000R
