Subject: Antenna Test reports for VEGAPULS 42, FCC ID: O6QPS40W

To whom it may concern

We, VEGA Grieshaber KG, Am Hohenstein 133, 77761 Schiltach, Germany declare the following concerning the Antenna test reports:

Radar

All TLPR measurements were performed radiated and therefore additional antenna gain documentation is not required

Bluetooth

Based on the similarities between both models VEGAPULS 42 and BPP2, the antenna gain results of BPP2, see test report MDE_VEGA_1701_BT_1, can be transferred to VEGAPULS 42 without further measurements.

Yours faithfully,

Patrick Friedmann
Product Safety Engineer
