

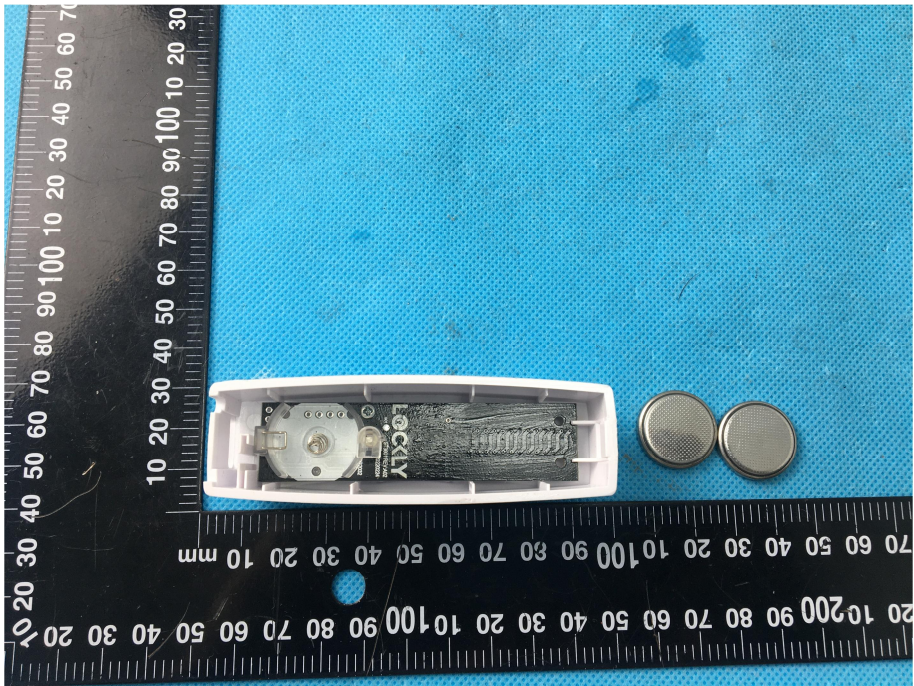

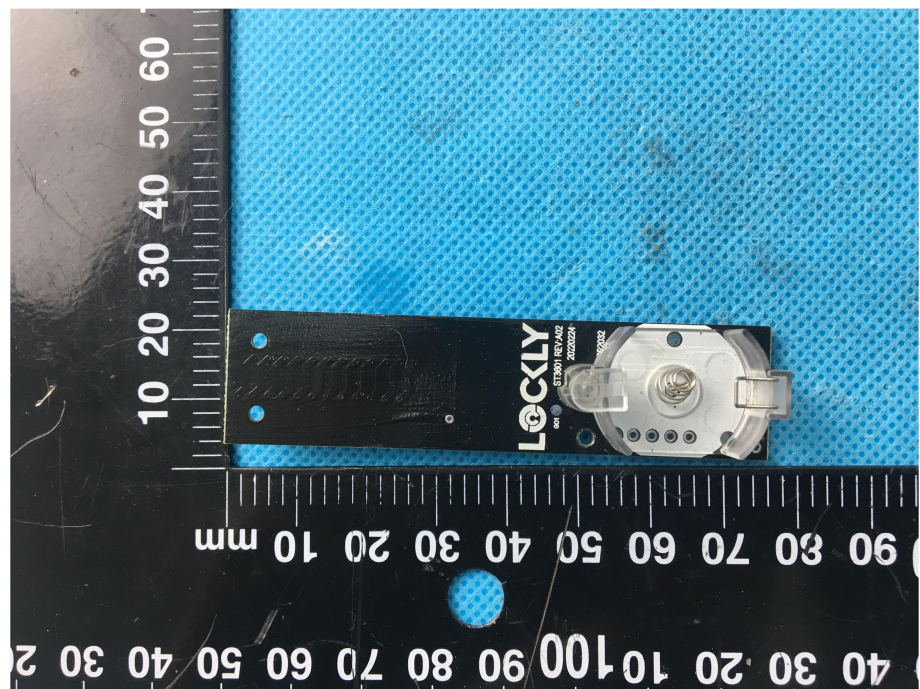

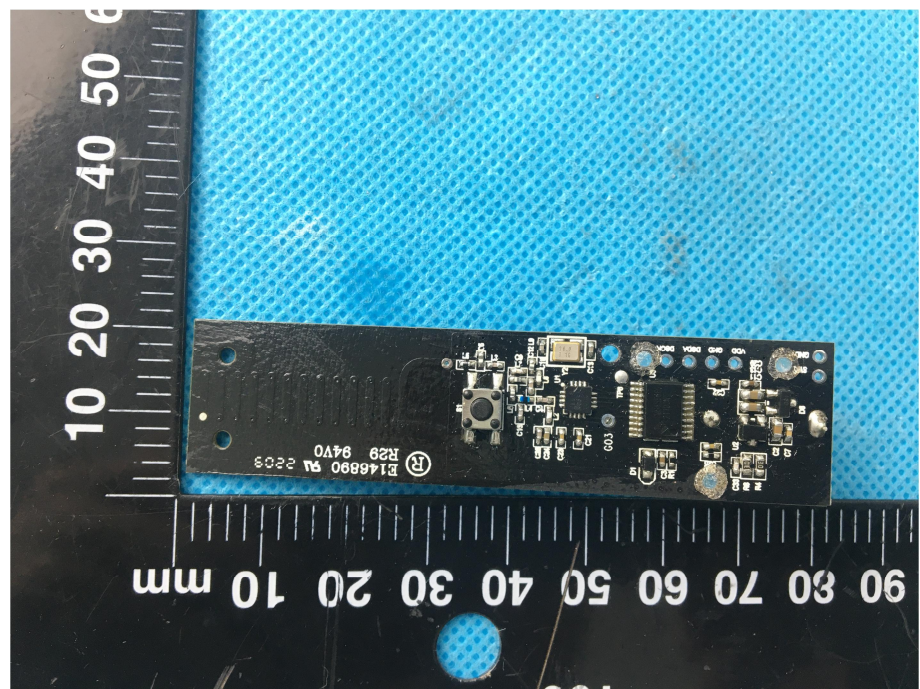

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of an EUT housing. The housing is white plastic and is open, revealing a black printed circuit board (PCB) inside. The PCB has a silver coin cell battery mounted on it. The battery is labeled "220124R". The housing is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (mm) and centimeters (cm).
EUT Housing and Board View 2	 A photograph showing the internal components of an EUT housing from a different angle. The housing is white plastic and is open, revealing a black printed circuit board (PCB) inside. The PCB has a silver coin cell battery mounted on it. The battery is labeled "220124R". The housing is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (mm) and centimeters (cm).
