Re: ID Label Location information
FCC ID: YCP-32WB5MMGH02
IC: 8976A-32WB5MMGH02

Dear Examiner,

We are asking for the permission from "STMicroelectronics SAS." to place the label for the product into the user manual and package instead of the exterior of the device, due to the dimensions of the "Wireless module" being extremely small.

Brand Name: STMicroelectronics SAS
Product name: STM32WB5MMG
Model name: STM32WB5MMGH

FCC ID: YCP-32WB5MMGH02
IC: 8976A-32WB5MMGH02

HVIN: STM32WB5MMG

If you have any questions, feel free to contact us.

Regards,

Responsible: **JOEL HULOUX**
