Re: Permission Letter for a Change in Identification

Date: Dec 9, 2020

To Whom It May Concern:

This letter grants authorization for representatives of Icom Inc to apply to the FCC for a change in identification as specified under 47 CFR2.933 of the FCC rules.

This authorization applies to Shanghai SIMCom Ltd SIM7500A LTE-FDD/HSPA Module, FCC ID: UDV-201606.

We are aware that Icom Inc intends to market the above referenced product under their own FCC ID: AFJ427400 with Model Name UX-262.

Sincerely,

Shanghai SIMCom Ltd.

A handwritten signature in black ink, appearing to read "Austin Li".
