PERIBOARD-706 PLUS Connect Method

Product Specification

Model	PERIBOARD-505
Color	Black
Electrical Rating	200mA
Operating Voltage	4.4~5.25 VDC
Interface	meet with USB 2.0 and HID 1.1 specifications
Size	315*147*21mm
Weight	440g
Cable Length	1.8M
Material	ABS, Silicon Rubber and High Impact Polystyrene
OS requirement	Win XP and above

Product Specification

Model	PERIBOARD-706
Color	Black
Electrical Rating	25mA
Operating Voltage	3.0VDC
Interface	2.4G Wireless
Size	315*147*21mm
Weight	403g
Material	ABS, Silicon Rubber and High Impact Polystyrene
OS requirement	Win XP and above

FCC Warning

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
NOTE 1: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
NOTE 2: Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Caution

The manufacturer and re-sellers are not responsible for any technical malfunctions, damage, or personal injury incurred by:
•Any attempt to dismantle, change or modify the product in any manner
•Malfunction or damage is due to misuse or improper alteration or repair.
•Malfunction or damage caused by external influence such as a fall
•Fire, Gas, Earthquake, lightning, wind, water, or other natural calamities, or abnormal voltage.
•Malfunction or damage is caused by other devices connected to the products.
•Malfunction or damage is caused by high temperature, humid, greasy, dusty and hazardous environment.
• You are cautioned that changes or modifications not expressly approved by PeriXX Computer GmbH could void your authority to operate the equipment.
• All brand names, trademarks and logos are the properties of their respective owners.
Please Note: Long-term repetitive use of any keyboard and mouse could cause injury to user. PeriXX recommends users to avoid excessive use of this or any keyboard and mouse.
