

A disassembled tablet device is shown on a green surface. The screen is at the top, and the internal components, including the battery, are at the bottom. A ruler is placed next to the device for scale. The screen has a label that reads "100% RECYCLED GLASS" and "100% RECYCLED ALUMINUM CASE". The internal components include a large battery, a camera module, and various electronic components. The device is labeled "SAMSUNG GALAXY S21 FE 5G".
