

A stylized illustration of a circuit board. The background is black with a fine grid of white dots. Blue traces and components are scattered across the board. A prominent circular component in the upper right is labeled '39 GND' in white text. Other components include various blue rectangles and circles, some with white dots, representing different electronic parts.

Wyze Labs, Inc
5808 Lake Washington Blvd NE Ste 300 Kirkland WA 98033

V1.4:

Except for the changes mentioned above, no other modification is performed. Also, the change does not have any impact on the approved radio parameter such as power, frequency range, RF circuit etc.

If you have any question regarding the authorization, please don't hesitate to contact us.

Thank you!

Sincerely yours,

Wyze Labs, Inc
