To Federal Communications Commission:

Please accept this as a request to withhold from public inspection the following items noted below and considered part of this application (FCC ID: DF63C80500) :

1. Schematics: "j11pvt1c.pdf"
2. Palm VII Block Diagram: "Blockdiag3.pdf"
3. Palm VII Block Diagram description: "Pg1of3.pdf", "Pg2of3.pdf" and "Pg3of3.pdf"

The above materials are commercially confidential and trade secrets of 3Com Corporation. This product, Palm VII, is subject to extreme competition in the market place. Disclosure of any of the above documents would cause harm to 3Com's significant investment in the intellectual property embodied in the Palm VII. 3Com has taken significant measures to retain these items as confidential and proprietary. Access has been granted only on a need to know basis. Personnel outside of 3Com have signed our Non Disclosure Agreement. The documents have been stored in a secure area. The information is known only to a limited number of personnel within 3Com. 3Com does not intend to release these documents to the public, nor is it currently available to the public. 3Com hereby requests these documents to be held confidential by the FCC for as long as the product (or its derivatives) is being marketed. Disclosure of these documents, in part or as a whole, would irrevocably harm 3Com in marketing the Palm VII.
