A photograph of a green printed circuit board (PCB) for a Transmart JLC-A3S\_AMP\_KEY\_V0.1. The board is shown next to a ruler for scale. Key components include a large silver heat sink, several push buttons labeled KEY1 through KEY5, and various electronic components like resistors, capacitors, and integrated circuits. The board is populated with numerous surface-mount components and has a complex layout of copper traces. The text on the board includes "Transmart", "JLC-A3S\_AMP\_KEY\_V0.1", and "2021.04.26". The ruler shows measurements in centimeters and millimeters.
