Top – without shielding

Bottom

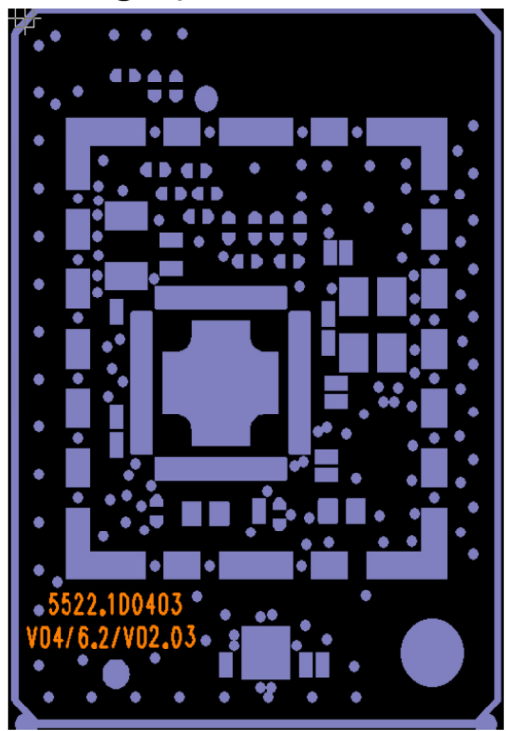

Marking bottom side:

FCC ID: TXTIDX01
IC: 909H-IDX01
P/N: 1600A00H6H
Supplier number: 1B1

Marking top side:

Layout version: V04
List of Components version: 6.2
(for reference – valid version: see LoC)
Software version: v02.03
(for reference – valid version: see software part list)
Internal p/n @supplier: 5522.1D0403
Layout, BOM and Software version may deviate from the information given printed on the PCB.
In this case a separate sticker with the correct information needs to be added on the shielding.
➔ Information given on the sticker overrides information printed on the PCB!

only for information – not true to scale
