FCC ID: I88B-120

This filing is in response to the Applicant's desire to offer an RF category "Mobile" PCMCIA form factor WLAN 802.11b transmitter. An electrically identical transmitter under FCC ID: I88B120 has been Granted as an RF category "Portable" PCMCIA device which included a SAR report. Applicant desired to offer this product as a "Mobile Module" under the Class II PC procedure. This was rejected. A new filing under FCC ID: I88B-120 was then submitted. The Applicant has been instructed that FCC ID: I88B-120 must only be offered to OEM integrators and cannot be offered for sale to the general public
