Change in Identification of Equipment

We, Digital Security Controls Ltd., confirm that we use the Magnetic Contact under FCC ID:WP3MC309PG2, originally granted on 11/12/2018, the same as it is shipped from the facilities of Visonic Ltd., the original manufacturer.

No changes have been made to the device and its original tests, data, etc. submitted for the original application remain applicable to the Digital Security Controls Ltd. device as well.

Digital Security Controls Ltd. will identify their device with FCC ID:F5318PG9309.

Thank you,
