Subject: Request for withholding from the public the disclosure of schematic diagrams and system diagrams pursuant to an application for certification.

Applicant: Solctek Corporation

Product: Skyway Series Transceiver

Model: KA324WAN5

Dear Sir,

Solctek Corp. requests that both the schematic and block diagrams submitted within this application be withheld from public disclosure as per section 0.459 of the FCC rules.

This request is made under the provisions of section 0.457(d) of the Commission's rules and also section 552 (b)(4) of the Freedom of Information Act. These sections authorize the withholding of documentation materials from public inspection to protect the applicant, (Solctek Corporation) as such disclosure might be harmful to the applicant and provide unjustified benefits to its competitors.
