RE: Class II Permissive Change for FCC ID: 2AS22-LUMACH2

To whom it may concern,

Pursuant to the provisions of KDB 996369 D01 Clause VII, Skylark Wireless, LLC hereby requests a Class II Permissive Change to combine multiple modular transmitters (FCC ID: 2AS22-LUMACH2) within a host enclosure.

Please refer to the test reports and other attachments filed with this submission for further clarification on the nature of this permissive change.

If you have questions or need further information, please contact the undersigned.

Sincerely,

DocuSigned by:
