Dear Mr. Leimer:

We have reviewed the request from M. Flom Associates, Inc. for Type Acceptance of the Airborne Transceiver, model number VXA-150. The Federal Communications Commission ID number is K66VXA-150. Our Office has reviewed the technical data for this transceiver and the equipment's performance is consistent with the spectrum requirements of Technical Specification Order C37e. We have no objection to the certification of this device.

If you require any additional information, please contact Ms. Margarette Ebate, Spectrum Planning and International Division, at (202) 493-5195.

Sincerely,

George K. Sakai
Program Director for Spectrum
