

Declaration

2017.12.11

To whom it may concern,

With regards to the application for Model: DG1/DG3500/DGS

According to the designer, Shenzhen Hohem Technology Co., Ltd., we hereby declare that the models (DG1/DG3500/DGS) are the same both in hardware and software.

The only difference is that the roll angle and the size of motor is different.

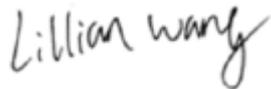

Difference item	DG1	DG3500	DGS
motor	5210	5210	3510

The numbers (10) in the model name of the motor stands for the thickness, and the numbers (52 and 35) stand for the diameter of the rotor.

Declared by: Shenzhen Hohem Technology Co., Ltd.
