

Declaration of equality

To Whom it may concern

Declaration of electrically identical models

We, IMBU BV declare on our sole responsibility that the models 1-1300 and 1-1301 are identical in hard- and software.

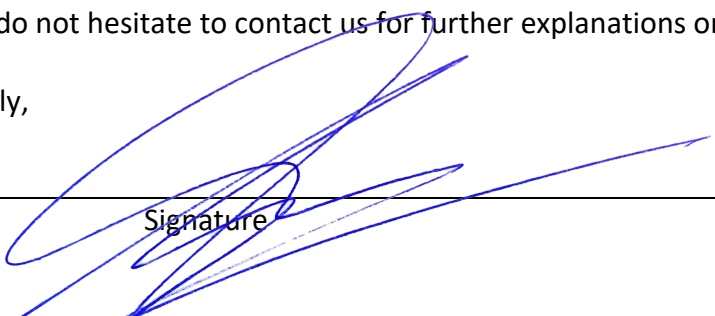

The only differences between the two models are listed below:

Model 1	Model 2	Explanation for equality
1-1300	1-1301	Depending on the configuration of the Accessory Board, either an accelerometer (model 2) is installed, or a trigger input (model1) is used.

We attest, that the above differences are not touching any regulatory issue nor any RF behaviour of the models.

Please do not hesitate to contact us for further explanations or comments.

Sincerely,
