Important safety instruction

1. Please read the instruction carefully. Keep it in safe place for future reference.
2. Keep the unit away from moisture.
3. Install the instrument properly by following the instructions in the device connection section.
4. Do not block any ventilation openings. Ensure adequate ventilation.
5. To reduce the risk of fire or electric shock, do not expose this product to rain or moisture.
6. Do not expose this appliance to dripping or splashing. Ensure that no objects filled with liquids are placed on the apparatus.
7. Do not install or use this product near any heat source, e.g. radiator, heater, stove or other devices that generate heat.
8. To avoid risk of electric shock, do not open the cabinet. Refer all servicing to qualified service personnel.
9. Do not load any additional weight. Do not lean on, step on or place heavy objects on the product.
10. Do not place any sources of naked flames, such as lighted candles, on the apparatus.
11. Do not use any accessories not recommended by the manufacturer.
12. Do not use this product in humid or wet environments.
13. Do not place or remove the product during lightning storms.
14. Do not expose the product to direct sunlight.
15. Do not place or remove the product during lightning storms.
16. Do not expose the product to direct sunlight.
17. Do not place or remove the product during lightning storms.
18. Do not expose the product to direct sunlight.

Please note that Fire Or Electrification number is not visible when the module is installed inside another device, then the outside of the device should be marked with a label stating the following or similar wording: Contains FC ID: 2ACJ9-EDIFIER or Contains IC: 12569A-EDIFIER or similar wording stating the corresponding FCC and IC numbers.

Excessively loud music may lead to hearing loss. Please keep the volume in a safe range.

Caution! Danger of fire or electric shock. This marking indicates that any user-serviceable parts inside the unit are not to be opened by the user. Only a qualified service technician is allowed to open the unit. Please refer to the warranty section for more information
