Software Defined Radio (SDR) Application FCC ID: 2ALEPT0008073

I, the undersigned, declare that the Kona Micro Gateway, FCC ID: 2ALEPT0008073, is compliant to class B Rx mode requirements tested under FCC part15 Sub part B and ISSED-003. The test report is provided to us by our agent, Electronic Test Centre – Airdrie (MPB Technologies Inc.), and TEKTELIC follows the supplier's declaration of conformity (SDoC) authorization procedure.

Sincerely,

Tom Danshin
Manager, System Design
