EUT View 5

EUT View 6

EUT View 7	 A top-down photograph of a white, dome-shaped electronic device. The device has a circular top surface with a central circular area containing a small hole and a speaker grille. Two curved, light-colored features are visible on the sides of the top surface. A black ruler with white markings is placed vertically to the left of the device for scale. The background is a solid blue color.
	 A bottom-up photograph of the same white, dome-shaped electronic device. The view shows the underside of the device, which has a rectangular slot, a small circular hole, and two sets of four small rectangular ports. A black ruler with white markings is placed vertically to the left of the device for scale. The background is a solid blue color.
