

Solder Board-Component View 10	 A photograph showing a small electronic component, likely a microcontroller or sensor, mounted on a blue solder mask. The component is positioned next to a black ruler with white markings. The ruler has two scales: a vertical scale on the left (0 to 100 mm) and a horizontal scale at the bottom (0 to 100 mm). The component is located at approximately 10 mm on the vertical scale and 10 mm on the horizontal scale. The background is a blue textured surface.
Solder Board-Component View 11	 A photograph showing a small electronic component, likely a microcontroller or sensor, mounted on a blue solder mask. The component is positioned next to a black ruler with white markings. The ruler has two scales: a vertical scale on the left (0 to 100 mm) and a horizontal scale at the bottom (0 to 100 mm). The component is located at approximately 10 mm on the vertical scale and 10 mm on the horizontal scale. The background is a blue textured surface.
