Federal Communications Commission 7435 Oakland Mills Road Columbia, MD 21046

Attn: Charlie Cobb

November 4, 1998 File: J9CAEP15 EA: 91542

Charlie,

I would like to request to have the above mentioned grant set aside as there are issues with the power level which need to be addressed. I will upload all the information on the serve to clarify our position.

Your attention to this request is greatly appreciated.

Regards,

Jay Moulton Director, Engineering
