Subject: Request to Class II permissive change

To Whom It May Concern:

The purpose of this letter is requesting to change the PCB layout and add a new model to the FCC ID: 2AC23-WC16, originally granted on 07 May 2020.

1. The original model WC16R2601 change the PCB layout, please refer to below picture:

2. Added the new model WC16R2601, these model are electrically identical and only differ in model name and power supply port. Please refer to below picture:

WC16R2601	WC16R2601F
 <p>A green printed circuit board (PCB) module with a central white label. The label contains a QR code and the following text: WC16R2601, MAC: 00:0C:29:00:00:00, FCC ID: 2AC23-WC16, IC: 12290A-WC16, S/N: 20000000000000000000. The module has a gold-plated connector on the right side and a small red circular component on the top right.</p>	 <p>A green printed circuit board (PCB) module, similar to the one on the left, but with a different label. The label contains a QR code and the following text: WC16R2601F, MAC: 00:0C:29:00:00:00, FCC ID: 2AC23-WC16, IC: 12290A-WC16, S/N: 20000000000000000000. The module has a gold-plated connector on the right side and a small red circular component on the top right.</p>
