Subject: Permissive Class II change for FCC ID: I88B620

Dear Sir,

The Mini-PCI 11M Wireless LAN Card, Model No.: ZyAIR B-620, FCC ID: I88B620 need to apply for the Class II Permissive Change due to change the antenna cable length. We evaluated that the changed would NOT affect the RF characteristics except for the Radiated Spurious Emission & Band edge.

The product has conducted the Radiated Spurious Emission test and Band-edge test and compliance with the CFR 47 Part 15 Subpart C 15.247 and relative regulations. For more details, please refer to the test report.

If you have any question, please feel free to contact me.

Best Regards,
