View 1**

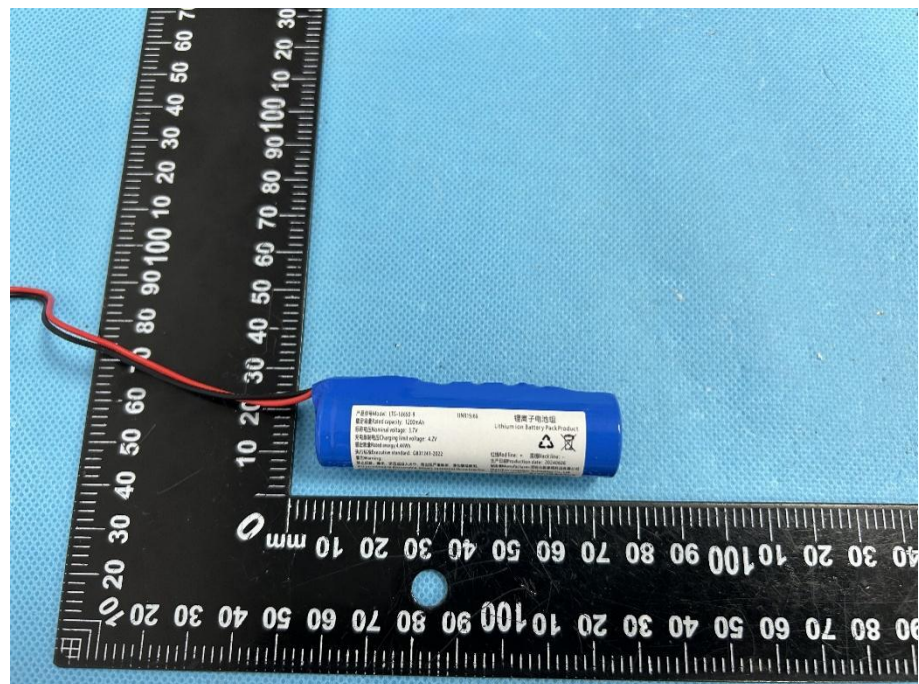

Solder Board-Component View 2	 A photograph of a small, rectangular black printed circuit board (PCB) component. The board is populated with various electronic components, including several integrated circuits (chips), resistors, and capacitors. It features multiple pin headers and connectors. The component is placed on a blue textured surface next to a black L-shaped ruler with white millimeter markings for scale.
Solder Board-Component View 3	 A photograph of a small, rectangular gold-colored flexible printed circuit (FPC) component. The component has a circular solder pad at one end and a long, thin tail. It is placed on a blue textured surface next to a black L-shaped ruler with white millimeter markings for scale.
