RE: FCC Permissive II Change Request for Company: Guangdong Wangjia Intelligent Robot Co., Ltd.
FCC ID: 2AVYJ-J050A

We are submitting an application for a class II permissive change to the FCC approval of the Company name: Guangdong Wangjia Intelligent Robot Co., Ltd., product description: Robotic Vacuum Cleaner (FCC ID: 2AVYJ-J050A, Original Grant Date: 09/09/2020). The transmitter module itself has not changed. Here are the changes:

Part of PCB circuit, motor, adapter, battery and model have been changed, would not affect RF Performance, specification, output, etc. The RF circuit has not been changed.

The PCB changes are as follows:

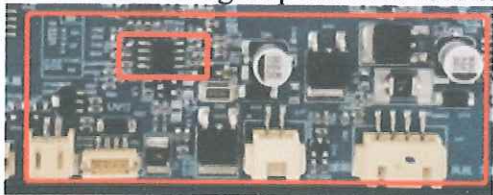

Remove the following gyroscope module, which functions to control EUT walking speed and Angle.

The added vertical 4P terminal and 2P seat have the same function, both are used for UVC-LED power supply, only one more UVC-LED is supported.

Add the following chip which is used to record the wheel speed.

Sincerely,
