STATUS INDICATOR

Mode indicator	Rapidly flashing blue	Pairing mode
	Steady blue	Paired
	Steady red	Line in mode
Charge indicator	Steady red	Charging
	Steady green	Fully charged

CHARGING

Use the included charging cable to fully charge the speaker before first use. It will take approximately 4 hours to fully charge.

- The red LED will be ON while the speaker is charging
- The red LED will turn green once charging is complete

Tip: When the battery is low, the speaker will beep every few seconds, please charge the speaker. If it is not plugged in to charge within approximately 15 minutes, it will turn OFF.

PAIRING

1. Press and hold the  button to turn the speaker ON. The blue LED will flash.
2. Turn Bluetooth® ON in your device settings and select "HRSP 5040".
3. Once paired successfully, the blue LED will be ON and the speaker will chime.
4. If you fail to pair your device or you want to pair it with a new device, please repeat the steps outlined above.

NOTE: If there is no device paired within 10 minutes the speaker will turn OFF. To un-pair, press the  button or disconnect in your device settings.

NOTE: The speaker will automatically pair with previously paired devices provided the Bluetooth® is ON and within range. The speaker will chime to indicate that it has been successfully re-paired.

HANDSFREE SPEAKERPHONE

When a smartphone is connected to your speaker follow the steps below to take calls handsfree.

1. If there is an incoming call while streaming music, the speaker will ring for iOS ring tone or beep for Android™.
2. Press the Play/Pause  button to answer the call.
3. Press the Play/Pause  again to end the call.

LINE-IN (AUX IN) MODE

1. Use the supplied cable to connect the speaker directly with your device.
2. The LED will blink slowly.

Tip: LINE-IN will take priority over the Bluetooth® connection.

TWS (TRUE WIRELESS STEREO) CONNECTION

Connect two 8092990 speakers for a true wireless stereo experience. To connect:

1. Ensure neither speaker is connected to your device via Bluetooth and turn Bluetooth OFF on your device.
2. Press and hold the  button on both speakers to turn ON. The  button on both speakers will flash.
3. On either of speakers, press and hold  and  button at the same time for about 2 or 3 seconds until a prompt is heard. Another prompt will be heard in 2 seconds. It represents TWS connected successfully.
4. Turn Bluetooth® ON in your device settings and select "HRSP 5040" for Bluetooth pairing.
5. When you hear the prompt and both  button LED stay ON, Bluetooth connection to your device is completed successfully.

Note: During your device under BT connection with TWS modes in use, you can press both  and  buttons at the same time for 3 seconds to clear all the pairing records.

FCC Caution:

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

IMPORTANT NOTE:

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
—Reorient or relocate the receiving antenna.

—Increase the separation between the equipment and receiver.

—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

—Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

ISED Warning

This device complies with Innovation, Science, and Economic Development Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

The device is compliance with RF exposure guidelines, users can obtain Canadian information on RF exposure and compliance.

Le présent appareil est conforme Après examen de ce matériel aux conformité ou aux limites d'intensité de champ RF, les utilisateurs peuvent sur l'exposition aux radiofréquences et la conformité and compliance d'acquérir les informations correspondantes.
