RE: Attestation Statement – Long Term Confidentiality Request for Internal Photos for FCC ID 2BKWD-LRF01. Reference KDB 503851

Maztech Industries LLC (“the applicant”) requests long term confidentiality of internal photos per clause II.3.a.1 of KDB 726920 D01.

Access to product internals is controlled through adhesives on all fasteners. Should an end-user attempt to open the system by brute force, they will break the system purge, destroy system accuracy, and void product warranty.

As confirmed by the FCC in KDB Inquiry Tracking Number 503851, an NDA is not required as long as access to internal components is prevented.

Sincerely,

Prashant Setty
