RE: CONFIDENTIALITY REQUEST FOR HONEYWELL JETWAVE™, FCC ID: K6KJETWAVE

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the following documents required to be submitted with this application be permanently withheld from public review.

- Block Diagram
- Schematics
- Theory of Operation
- Tune Up Procedure
- Parts List/BOM

These documents contain detailed system and equipment descriptions and related information about the product, which manufacturer/applicant considers to be proprietary, confidential, and a custom design and otherwise, would not releas e to the general public. Since this design is a basis from which future technological products will evolve, manufacturer/applicant feels that this information would be of benefit to its competitors, and that the d isclosure of the information in these docum ents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need. Sincerely,

Steve Mills Director, Engineering EMS Technologies Canada 400 Maple Grove Rd Ottawa Ontario K2V 1B8 Canada
