

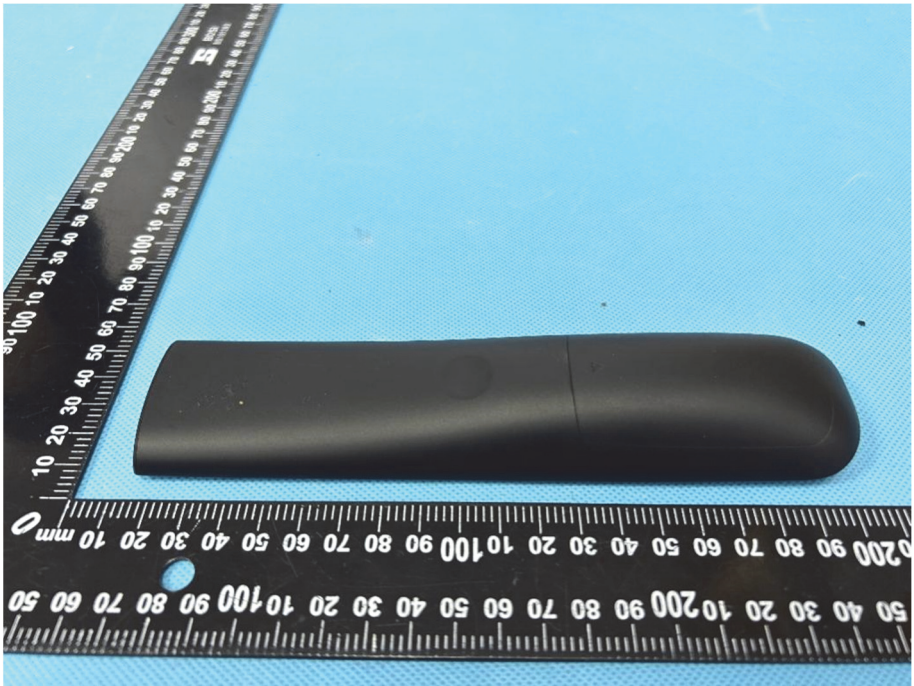

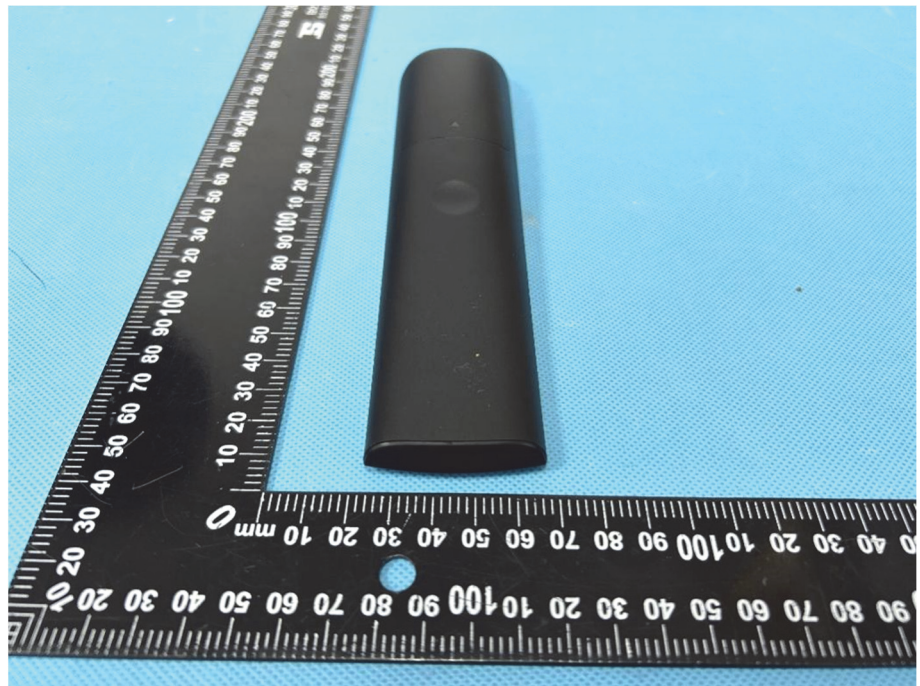

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black SENTRICS remote control is shown vertically against a light blue background. To its left is a black ruler with white markings in centimeters and millimeters. The remote features a standard numeric keypad (0-9), a power button, a play/pause button, a stop button, a back button, and volume controls. The brand name "SENTRICS" is printed at the bottom of the device.
EUT View 2	 The back of the black SENTRICS remote control is shown vertically against a light blue background. A black ruler with white markings is positioned to the left of the remote. The back of the remote is mostly smooth with a few small indentations and a small circular feature near the bottom.
