

B60104

B60104

A photograph of a white rectangular object, possibly a test specimen, placed on a wooden table in an anechoic chamber. The chamber's walls are covered with black cross-shaped electromagnetic absorbers. The floor is covered with a dense array of blue, pyramid-shaped absorbers. A yellow label with the text "B60104" is attached to the side of the white object. The table is supported by a metal frame with a circular hole in the center. A green and red mechanical arm is visible in the background on the right.
