ALE USA Inc. declare that the above reference product is professionally installed.

The OAW-AP1361, OAW-AP1361D, OAW-AP1362 are intended for enterprise level installations. ALE USA Inc. supports direct sales to large customers and sales via value-added resellers/distributors. There are no retail or mail order sales channels. In all cases, installation is performed by a trained installer. ALE USA Inc. provides a certified training program.

The complexity of the ALE USA Inc. OS makes training a requirement for installation and operation. Without training, a user would not be able to perform the initial configuration that would enable transmission of the access points. It is during the initial provisioning of any APs that the

There is a specific ordering guide that provides a list of acceptable antennas for a particular access point. This is referenced in the Installation Guide.
