Caution! The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the users authority to operate the equipment.

IC Statement

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSSI(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

CAN ICES-3(B)/NMB-3(B)

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

1. L'appareil ne doit pas produire de brouillage;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

This equipment complies with IC RSS-102 radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. ce matériel est conforme aux limites de dose d'exposition aux rayonnements ic rss-102 énoncées pour un autre environnement. cet émetteur ne doit pas être situé ou opérant conjointement avec toute autre antenne ou l'émetteur.

CE statement:

Hereby, Orangetheory Fitness declares that this product is in compliance with:
 - The essential requirements and essential relevant provisions of directive 2014/53/EU
 - The full text of the EU declaration of conformity (DoC) is available at the following internet address: https://www.ortangetheoryfitness.com/otbeat. The object

of the declaration described above is in conformity with the relevant European Union harmonization Legislation: Directive 2014/53/EU and any other applicable directives. This declaration is issued under the sole responsibility of OTF Distribution, LLC. Bluetooth: frequency 2402-2480MHz, max output power 3.65dBm.
 Regulatory authorities within the EU may obtain compliance information by writing to:

6000 Broken Sound Parkway North West,
 Suite 201 Boca Raton,
 FL 33487

This Important Product Information Guide contains safety and handling, regulatory, and warranty information.
 Battery Safety: Some Orangetheory Fitness products may contain coin cell batteries.

- KEEP BATTERIES AWAY FROM CHILDREN
- NEVER PUT BATTERIES IN MOUTH Swallowing can lead to chemical burns, perforation of the soft tissue, and death. Severe burns can occur within 2 hours of ingestion.
- Seek immediate medical attention.
- Only replace batteries with correct replacement batteries. Using other batteries poses a risk for fire and explosion.
- Do not use sharp tools to remove the user-replaceable cell.
- Do not remove or attempt to remove non-user-replaceable batteries.
- Before beginning or modifying any exercise program, please consult your physician. If you have a pacemaker or other implanted electronic device, consult your physician before using a heart rate sensor. This product is intended for recreational use only and is not intended for medical purposes. Heart rate and other readings could be influenced by interference from external sources. If you use this product with navigation

software, always be aware of your surroundings and do not fixate on the screen. Moreover, set destinations and other user inputs prior to your departure to ensure your attention stays on task and your facilities are directed to your activity and not the device. This device contains no user user serviceable parts and repairs / modification should only be made by a technician authorized by Orangetheory Fitness. Any unauthorized modifications or repairs will void your warranty. Do not leave device exposed to excessive heat or cold.

CAUTION:

- Please don't replacement of a battery with an incorrect type that can defeat a safeguard;
- Please don't disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion;
- Attention leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas;
- Battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.

"La operación de este equipo está sujeta a las siguientes dos condiciones: (1) es posible que este equipo o dispositivo no cause interferencia perjudicial y (2) este equipo o dispositivo debe aceptar cualquier interferencia, incluyendo la que pueda causar su operación no deseada"

FCC Rules Part 15

The enclosed hardware device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference and (2) it must accept any interference received, including interference that may cause undesired operation.

FCC Compliance Statement:

This equipment has been tested and found to comply with limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are intended to provide reasonable protection against harmful interference in residential installations. This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause interference to radio or television equipment reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
