

BLUETOOTH® SPORTS HEADSET

1711663,1711664
User's Guide

We hope you enjoy your Bluetooth Sports Headset. Designed with an adjustable cable, this water-resistant sporty headset allows you to listen music wirelessly during workouts. Please read this user's guide before using your headset.

Package Contents

- Bluetooth Sports Headset
- 3 pairs of tips
- 3 pairs of earbud holders
- Carry Case
- USB Charging Cable
- User's Guide

Charge Your Headset

When the headset indicator flashes red or has no response, charge your headset.

- Normal charging takes about two hours.
- Provides up to 5 hours of play time and up to 150 hours standby.

- The **LED Indicator** lights red when charging and turns blue when fully charged.
- Unplug the charging cable when the headset is fully charged.

Pairing

- Press and hold the **Power** button for 7 seconds to enter pairing mode. A voice says "Pairing". The **LED Indicator** flashes red and blue as your headset searches for Bluetooth-enabled devices.
- Follow the instructions for your Bluetooth-enabled device to pair with the headset. Select and connect to the device called **AUVIO BTSH**. When paired, a voice says "Your headset is connected". The **LED Indicator** flashes blue every 4 seconds and the headset enters standby mode.

Note:

- If your Bluetooth-enabled device(s) are out of connection range and disconnect, move back within 3 minutes to reconnect automatically.

Using the Headset

To turn the headset on/off, press and hold the **Power** button for 3 seconds.

On: **LED Indicator** flashes blue and red. A voice says "power on".

Off: **LED Indicator** flashes red 3 times. A voice says "power off".

Charging current.....	70 mA
Bluetooth protocol.....	V4.0
Operating distance.....	33 ft. (10m)
Frequency response.....	20Hz - 20KHz
Sensitivity.....	90±3dB
Impedance.....	16 Ohms
Cable length (max. extended).....	2.1 ft. (0.65m)

Specifications are subject to change and improvement without notice. Actual product may vary from the images found in this document.

FCC Information

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

If you cannot eliminate the interference, the FCC requires that you stop using your equipment. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

90-Day Limited Warranty
