Solder Board-Component View 10	 A photograph showing a circular electronic component with a green PCB and a black central disk. The component is mounted on a blue textured surface. A yellow wire is connected to the component. A ruler is visible in the background, showing measurements in millimeters.
Solder Board-Component View 11	 A photograph showing two circular electronic components. The component on the right is a green PCB with a black central disk and an orange component. The component on the left is a black disk with a central hole. Both components are mounted on a blue textured surface. A ruler is visible in the background, showing measurements in millimeters.
