> In re : LG Information & Communication, Ltd. FCC ID: FFMTM210 Tri-Mode Dual Band Analog/PCS Part 22, Part24 Certification Request for Confidentiality

Gentlemen:

In accordance with 0.459 of CFR 47, LG Information & communications, Ltd. hereby requests confidentiality of the Block Diagrams attachment, Schematic Diagrams & Circuit Description attachment, Operational Description attachment, and Parts List/Tune-Up Procedure attachment for the above-referenced Type Acceptance application.

These documents contain detailed system and equipment description and related information about the product which LG Information & Communications, Ltd. Considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, LG Information& Communications, Ltd. considers this information to be of benefit to its competitors, such that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

E.S.Park Research Engineer Communication Terminal Research Lab LG Information & Communications, Ltd.
