Specifications:

Bluetooth version 4.1 aptX® audio technology
Effective working range: 10 meters (Depending on obstacles)
Talk time: up to 20 hours
Music play time: up to 22 hours
Standby time: 500 hours
Full-charge time: approximately 3 hours

Operational guide:

1. Charging

Make sure the headset is powered off and connect the USB interface to the headset. Connect the other end to your PC or other USB power outlet. The LED will be red during the charging process and turn off when the battery is fully charged.
When the battery level is low the LED will flash red twice every 5 seconds, and you will hear a beeping sound every 60 seconds.

2. Power on

Press the power button for 3 seconds until the LED is flashing blue and red. You will hear a voice saying «Power on».

3. Pairing

a) Press the Power button for 2-3 seconds until the LED flashes blue/red and you can hear the voice «Pairing».

b) On your Smartphone (or other bluetooth enabled device) do a search for new bluetooth device and connect to «Jensen Stadium BT». When you hear «Paired» the headphones are successfully paired and ready for use.

4. Power off

Press the power button for about 3 seconds. You will hear «Power off»
