

# Marketing Statement

July 22, 2004

**Product Name:** Tablet PC  
**Model No.:** DR786  
**Trade Name:** DR786  
**FCC ID:** IR5DR786EX

To whom it may concern,

We, the undersigned, hereby state that the secondary battery connector of the product indicated above is designed for our marketing purposes. No option of a secondary battery shall be offered at this moment. If there is a market demand for the second battery in the future, we shall perform a test of the product with the second battery to verifying its compliance with the FCC rules, and submit the applicable permissive change prior to marketing the option of a second battery.

Yours truly,

---

Will Liang/Sr. Engineer  
CRETE SYSTEMS INC.
