

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the top view of a small, square, light-colored electronic device. The device has a circular area in the center with four small, dark, rectangular markings arranged in a cross pattern. A black cable is connected to the top of the device. A black ruler with white markings is placed horizontally below the device, showing measurements in millimeters and centimeters.
EUT View 2	 A photograph showing the front view of the same electronic device. The device has a dark, rectangular port on the left side and a smaller, circular port on the right side. A black cable is connected to the top of the device. A black ruler with white markings is placed horizontally below the device, showing measurements in millimeters and centimeters.
