Two white cables with right-angle connectors are shown against a blue background. The connectors are black with a gold-colored metal fitting. The cables are positioned horizontally, with one slightly above the other.

Two optical fibers are shown against a blue background. Each fiber has a black SMA connector with a gold-colored pin. The fibers are white and have black labels with 'Argain7' and '103200' printed on them. A stainless steel ruler is placed below the fibers for scale, showing markings from 0 to 100 mm.
